

SECTION A: GENERAL INFORMATION ABOUT THE COMPANY

1.	Corporate Identity Number (CIN) of the Company	L31102DL1957PLC193993
2.	Name of the Company	GE T&D India Limited
3.	Registered address	A-18, First Floor, FIEE Complex, Okhla Industrial Area, Phase II, New Delhi – 110020
4.	Website	www.ge.com/in/ge-td-india-limited
5.	E-mail ID	Company.secretary@ge.com
6.	Financial Year Reported	Financial Year ended March 31, 2022
7.	Sector(s) that the Company is engaged in	Capital Goods – Electrical equipment
8.	List three key products/services that the Company manufactures/provides (as in balance sheet)	Switchgear all types, Control Panels, Power Transformers Electrical Substation projects and Services. NIC Code of the main product/ service – 271
9.	Total number of locations where business activity is undertaken by the Company:	Nil 5 manufacturing sites, 8 sales offices including 1 corporate office and 1 registered office
	a) Number of International Locations	
	b) Number of National Locations	
10.	Markets served by the Company – Local/State/ National/International	• National and State Transmission & Distribution utilities • Neighbouring countries Utility and market-Nepal/Bangladesh/Bhutan/Sri Lanka • Domestic Industrial customers • Domestic power generation – conventional and renewable • Export of products

SECTION B: FINANCIAL DETAILS OF THE COMPANY

1.	Paid up Capital (₹)	512.1 million
2.	Total Turnover (₹)	30,659.5 Million
3.	Total profit/(Loss) after taxes (₹)	(496.2) Million
4.	Total Spending on Corporate Social Responsibility (CSR) as percentage of profit after tax (%)	The Company spent ₹ 4.50 million which was over 2% of its Net Profit in terms of section 135 of the Companies Act, 2013 and 0.8% of its profit after tax.
5.	List of activities in which expenditure in 4 above has been incurred	I. COVID-19 Emergency Response II. Preventive Healthcare III. Education and children

SECTION C: OTHER DETAILS**1. Does the Company have any Subsidiary Company/ Companies**

No

2. Do the Subsidiary Company/Companies participate in the Business Responsibility (BR) Initiatives of the parent company? If yes, then indicate the number of such subsidiary company(s)-

Not Applicable

3. Governance related to Business Responsibility Report

a) Indicate the frequency with which the Board of Directors, Committee of the Board or CEO to assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year.

Annually

b) Does the Company publish a Business Responsibility or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?

Business Responsibility Report forms part of the Directors' Report and is available on Company's website <https://www.ge.com/in/ge-td-india-limited>.

SECTION E: PRINCIPLE-WISE PERFORMANCE

- 1. Business should conduct and govern themselves with Ethics, Transparency and Accountability**
- 2. Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle**
- 3. Businesses should promote the well-being of all employees.**
- 4. Businesses should respect the interests of and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalised**
- 5. Businesses should respect and promote human rights**
- 6. Businesses should respect, protect and make efforts to restore the environment**
- 7. Businesses when engaged in influencing public and regulatory policy, should do so in a responsible manner**
- 8. Businesses should support inclusive growth and equitable development**
- 9. Businesses should engage with and provide value to their customers and consumers in a responsible manner.**

Principle 1: Business should conduct and govern themselves with Ethics, Transparency and Accountability

- 1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/No. Does it extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs /Others?**

No. "The GE Spirit & The Letter" policy on ethics, bribery and corruption covers the Company and all its vendors, contractors, NGOs and others (anyone who works for or represents GE).

- 2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.**

Your Company is committed to best Corporate Practices based on the principle of transparency, accountability, fairness and integrity to create long term sustainable value for its stakeholders. Your Company has in place Vigil Mechanism (Ombuds and Open Reporting Procedure) to provide an avenue to all stakeholders to report concerns,

whether actual or potential, about integrity violations or any violation of law. In addition, your Company has an internal Code of Conduct namely 'The Spirit & The Letter' ('S&L') which is followed by anyone who works with or represents GE. All concerns received are thoroughly and objectively investigated and resolved with appropriate corrective actions.

During the year under review 36 policy concerns were raised under the GE Open Reporting system. Approximately 88% of the cases were resolved as at the end of March 31, 2022.

Principle 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

- 1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/ or opportunities.**
 - Extra High Voltage (EHV) Current Transformer
 - Extra High Voltage Circuit Breakers
 - Manufacturing of Conventional Relays
- 2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):**
 - Reduction during sourcing/production/distribution achieved since the previous year throughout the value chain
 - EHV Current Transformer: Natural resource savings would include reduced consumption of oil, wood, steel, aluminium and copper. Process efficiency includes less energy (electricity) being used in the production process.
 - EHV Circuit Breakers: SF6 gas reduction and weight reduction in steel structures
 - Reduction during usage by consumers (energy, water) has been achieved since the previous year?

Details mentioned in Annexure F to the Directors' Report.

- 3. Does the Company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.**

The Company has a well-defined supplier selection and purchasing process covering 100% of the supplier base. A stringent supplier onboarding process governed by dedicated compliance team through quality, process and safety audits (internal and external audits), aligns the

suppliers for Integrity & Compliance with the local rules and regulations and also with GE quality standards.

The Company also has processes with all direct materials suppliers called 'SRG audits' (Sourcing Reputation Guidelines). This is deployed to all direct materials suppliers to ensure stability in supply chain and also to protect GE's Reputation.

The supplier contracts are secured with the Company's purchasing Terms and Conditions and EHS guidelines including labor laws and human rights.

The Company has procedures in place for sustainable sourcing and the conformance is verified through qualification audits, Process audits and Supplier Responsibility Guidelines audits.

Supplier Regulation Guideline (SRG) procedure is used to assess the supplier compliance which includes environmental compliances & excellence. Accordingly, all suppliers are audited on regular basis as per SRG guidelines, where compliance to Environment Regulations and insistence on Environment improvement actions are assessed. The availability of Environmental legal permits and actions taken to ensure compliance to permit conditions are also verified. During the year under review, the Company has expanded its sustainability focus to include:

- Decarbonization of operations and reduction of cost through energy efficiency, renewable electricity and waste reduction;
- Decarbonization of supply chain through setting up supplier sustainability requirements, zero carbon logistics, zero carbon steel. Suppliers are required to disclose their carbon emissions; target 100% renewable electricity by 2025, and also engage with the Company to strive towards reduction of material logistics' emissions
- Achieving product sustainability through economic designs, transitioning from SF6 to g3 Gas. The Company is systematically moving to more sustainable packing methods for the equipment using corrugated boxes and biodegradable jungle wood solutions.
- Measures taken to reduce the usage of woods in the finished goods packing through packing contractors, actions like migration to steel package from wood is done for product variants, optimization of package through re-engineering done;

- To minimize the package waste from raw materials, the pallets & fixtures used for raw materials are sent back to supplier for repacking and thereby generation of wastage is avoided;
- Paperless transactions with supplier for drawings, PO's and test reports, thereby reducing the generation of paper waste.

4. Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

Yes, the Company has always valued the development of Small and Medium scale suppliers.

The Company invests in growing supplier capabilities through periodic trainings, lean initiatives and collaborative & long-term supply agreements with them.

The Company supports local and small vendors by continuous visits and audits at their premises. The Supplier performance is reviewed regularly, and improvement actions are decided with mutual consents. Whenever needed, we train the suppliers' employees to improve their competencies.

5. Does the Company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

- Overall reduction in wood consumption by 25% after introduction of steel in AIS products.
- Packing materials used for incoming materials are being reused for re-packing of finished goods.
- Waste generated from factories are recycled and used.
- Hazardous wastes are sent to authorized recyclers approved by state government.
- Well-defined processes in place to recycle and reuse waste related to SF6 Gas and oil as used in the manufacturing process
- Following quality norms, your Company has processes in place to selectively reuse material from rejected/ returned product

Principle 3: Businesses should promote the well-being of all employees.

1. Total number of employees : 2332 permanent employees
2. Total number of employees hired on temporary/ contractual/ casual basis : 1759
3. Number of permanent women employees : 155
4. Number of permanent employees with disabilities : 6
5. Do you have an employee association that is recognized by management? : Yes
6. What percentage of your permanent employees is members of this recognized employee association? : Approximately 40%
7. Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year:

No.	Category	No. of Complaints filed during the financial year	No. of complaints pending as on end of the financial year
1	Child labour/ forced Labour/ involuntary labour	Nil	Nil
2	Sexual harassment	Nil	Nil
3	Discriminatory employment	Nil	Nil

8. What percentage of your under mentioned employees were given safety & skill upgradation training in the last year?

- a. Permanent Employees : 99%
- b. Permanent Women Employees : 100%
- c. Casual/Temporary/ Contractual Employees : 98%

Principle 4: Businesses should respect the interests of and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalised**1. Has the company mapped its internal and external stakeholders? Yes/No**

The Company draws upon the insights of its own experts and from those around the globe to assess its sustainability priorities and relate them to its business strategy. Your Company works regularly with customers, regulators, non-governmental organizations, academics, government bodies and other partners to identify emerging issues and develop collaborative solutions.

The Company also leverages the knowledge of its employees at all levels of the organization who are often closest to our customers, partners and communities as part of their work responsibilities and/or volunteer initiatives.

2. Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders.

GE is a signatory to UN Global Compact and follows its 10 principles. The first 6 principles have a strong thrust on

social dimensions covering labour, women's empowerment and gender equality, children, indigenous peoples, people with disabilities, and business impacts on poverty. In addition to an equal opportunity organisation, GE's CSR activities specifically target vulnerable and marginalized groups, including children, women, elderly and people with disabilities.

3. Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details thereof, in about 50 words or so.

The Company's CSR activities at all locations are highly inclusive. The Company has continued fellowship programme at Noida in order to facilitate education of female underprivileged students. In Chennai and neighbouring areas, the Company's programme on the Company's mobile medical van which operates in Padappai and neighbouring areas has achieved over 40,000 treatments during the years 2017-2020. The Company had also deployed another Mobile Medical Unit at Hosur. At Vadodara, the Company concluded its programme villages adoption which includes farmer training, forming self-help groups, and health camps. The Company's COVID-19 emergency response has provided support to hospitals, frontline workers and migrant families. Details of the programmes are also available in the Directors' Report and Annexure A thereto.

Principle 5: Businesses should respect and promote human rights

1. Does the policy of the company on human rights cover only the company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

'The Spirit & The Letter' policy covers the company, group, its suppliers, consultants, contractors and other key stakeholders.

2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management

Nil

Principle 6: Businesses should respect, protect and make efforts to restore the environment

1. Does the policy related to Principle 6 cover only the Company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.

Applies to other business partners as well. The Company expects the suppliers to comply with laws and regulations protecting the environment, continuously improve their resource efficiency, and not adversely affect the local community.

2. Does the Company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc.? Y/N. If yes, please give hyperlink for webpage etc.

As a key stakeholder in the Energy sector, GE focuses on providing its customers with cleaner and more productive solutions to meet rising energy demand. At the same time, it is working in our own operations and value chains to increase resource efficiency in production.

Ecomagination is GE's growth strategy to enhance resource productivity and reduce environmental impact on a global scale through commercial solutions for our customers and in our own operations. As part of this strategy, we are: investing in cleaner technology and business innovation; developing solutions to enable economic growth while avoiding emissions and reducing water consumption; committing to reduce the environmental impact in our own operations; and developing strategic partnerships to solve some of the toughest environmental challenges at scale to create a cleaner, faster, smarter tomorrow.

3. Does the Company identify and assess potential environmental risks? Y/N

Yes

4. Does the Company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?

Your Company does not have any Clean Development Mechanism projects.

5. Has the Company undertaken any other initiatives on - clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.

The Company's products have a strong thrust on energy efficiency and clean technology. For details please refer to Annexure F to the Directors' Report.

GE's thrust on sustainability in business is reflected at <https://www.ge.com/sustainability/>.

6. Are the Emissions/Waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year being reported?

Yes.

7. Number of show cause/ legal notices received from CPCB/ SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

Nil

Principle 7: Businesses when engaged in influencing public and regulatory policy, should do so in a responsible manner

1. Is your company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:

Yes, Indian Electrical and Electronics Manufacturers Association (IEEMA).

2. Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)

Yes, to help promote 'Make in India' policy for Power Transmission and Distribution Products, standardization

of Testing procedure and validity durations of Power Transmission and Distribution Products.

Principle 8: Businesses should support inclusive growth and equitable development

- 1. Does the company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8? If yes details thereof.**

Yes. The Company undertakes various projects through its CSR initiatives. For details please refer to Annexure A to the Directors' Report.

- 2. Are the programmes/projects undertaken through in-house team/own foundation/external NGO/government structures/any other organization?**

The CSR projects of the Company are implemented through internally validated external NGO partners/implementing agencies.

- 3. Have you done any impact assessment of your initiative?**

The programmes are developed and implemented with measurable outcomes. Baseline surveys are conducted for programmes of longer duration.

The Company does regular field monitoring as well as reports in order to measure progress against targeted indicators.

- 4. What is your company's direct contribution to community development projects- Amount in INR and the details of the projects undertaken.**

For details please refer to Annexure A to the Directors' Report.

- 5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.**

The CSR activities and projects are conceived with close cooperation of the communities and beneficiaries. During the development of programmes, village leaders and beneficiaries are involved in the programme design.

This ensures that the projects have high acceptance and sustainability.

Principle 9: Businesses should engage with and provide value to their customers and consumers in a responsible manner.

- 1. What percentage of customer complaints/consumer cases are pending as on the end of financial year?**

Customer complaints are managed through a tool, ACT. 3.2% of customer complaints are overdue as on end of financial year March 31, 2022. It includes both verbal and written complaints.

- 2. Does the company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A./Remarks (additional information)**

No, the Company does not display product information on the product label, over and above what is mandated as per local laws.

- 3. Is there any case filed by any stakeholder against the company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.**

No

- 4. Did your company carry out any consumer survey/consumer satisfaction trends?**

Your Company management runs customer engagement sessions like "voice of customer", technical seminars to measure customer satisfaction level. Customer satisfaction survey is sent on closure of customer complaints in ACT.

For and on behalf of the Board

Mahesh Shrikrishna Palashikar
