\*International Banking Unit located at Gift City, Gandhinagar, Gujarat

#### 19. Markets served by the entity

##### a. Number of locations

| Locations                               | Number                                     |
|-----------------------------------------|--------------------------------------------|
| <b>National (No. of states)</b>         | 28 states and 8 union territories in India |
| <b>International (No. of countries)</b> | 7                                          |

##### b. What is the contribution of exports as a percentage of the total turnover of the entity?

Given the nature of the banking business, this is not applicable.

##### c. A brief on types of customers

The Bank caters to a diverse customer base. As of March 31, 2025, the Bank had 97 million customers. To effectively meet the needs of this wide customer base, the Bank operates through three key business verticals:

| Retail Banking                                                                                                                                                                                                                                                | Wholesale / Corporate Banking                                                                                                                                                             | Commercial / Rural Banking                                                                                                                                                                                                              |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| The retail business division serves individuals, salaried professionals, micro and small businesses, self-help groups, non-resident Indians and high net worth individuals. This entails loans, deposits and a wide range of financial products and services. | The target segment are large corporates, public sector units, government entities and multinational corporations. This entails commercial, transactional and investment banking services. | The commercial segment focuses on Micro, Small and Medium Enterprises (MSMEs), emerging corporates, commercial agriculture, small and marginal farmers and other businesses which have a strong presence in semi-urban and rural areas. |

### IV. Employees

#### 20. Details as of March 31, 2025

##### a. Employees (including differently abled)

**26. Overview of the entity's material responsible business conduct issues.**

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk, as per the following format:

| Sr. No | Material issue identified                            | Indicate whether risk or opportunity | Rationale for identifying the risk / opportunity                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Approach to adapt or mitigate                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Positive / Negative Implications |
|--------|------------------------------------------------------|--------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|
| 1      | Financial inclusion and deeper financial penetration | Opportunity                          | <p>The Bank has a multi-pronged approach to enable the efficient distribution of last mile funding and facilitating deeper financial inclusion.</p> <p>Besides focused efforts on expanding our footprint into deeper geographies, the Bank is also working on leveraging digital initiatives to extend its reach in the deeper geographies.</p> <p>We also recognise the role of government as a key stakeholder and the importance of helping the government fulfil its financial inclusion agenda through various government sponsored finance schemes.</p> <p>Housing fulfils a key social objective. Given the housing shortage in the country, the Bank recognises the potential to increase mortgage penetration in India.</p> | <p>The Bank sees immense potential in increasing financial penetration across the country.</p> <p>We expanded our reach to over 2,35,000 villages, with 51% of the branches in rural and semi-urban areas. This strategy is in alignment with the Bank's vision of taking banking to the unbanked.</p> <p>We provide customised banking solutions to meet customer requirements across all income segments. During the year, the Bank launched GIGA, a complete financial suite of products for the gig workers.</p> <p>In FY 2024-25, the Bank enrolled 4.5 million customers under various social security schemes of the government. These schemes inter alia entail enrolment for basic banking accounts, low-cost insurance to underprivileged segments of society, guaranteed pension for the unorganised sector employees and other pension schemes.</p> <p>The Bank actively supports several schemes of the government which inter alia include loans to street vendors, artisans, MSMEs, loans to women entrepreneurs, farmers, support towards agri-infrastructure projects, micro food processing, agri-clinics and agri-business centres, and livelihood missions. These schemes support underprivileged segments of society and help create employment opportunities.</p> <p>The Bank is committed to offering home loan solutions to all income categories. Of the home loans approved during the year, 37% in value terms and 64% in volume terms were to customers from the economically weaker segments (EWS), low-income group (LIG) and middle-income groups (MIG) where annual household incomes are up to ` 3 lakh, ` 6 lakh and ` 18 lakh respectively.</p> <p>Of the total home loans disbursed during the year, 72% of the loans in value terms were to women borrowers.</p> | Positive                         |

|   |                                |             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |          |

| 2 | Responsibility towards Society | Opportunity | <p>The Bank is committed to transforming the lives of millions of Indians through its initiatives. The vision is to contribute to the social and economic development of the community by empowering them and driving a positive change in their lives, that in turn enables them to actively participate in the growth of the nation.</p>                                                                                                                                                                       | <p>The core focus areas of Corporate Social Responsibility (CSR) of the Bank entail:</p> <ul style="list-style-type: none"> <li>• Rural development</li> <li>• Promotion of education</li> <li>• Skill, training and livelihood enhancement</li> <li>• Healthcare and hygiene</li> <li>• Financial literacy and inclusion</li> <li>• Natural resource management</li> </ul> <p>The Bank has cumulatively impacted 105.6 million lives on a pan-India basis through its social initiatives.</p> <p>In FY 2024-25 the Bank spent an amount of ₹ 1,068 crore towards CSR.</p>                 | Positive |
| 3 | Responsible Lending            | Opportunity | <p>The Bank sees opportunities in supporting customers in transitioning to greener pathways.</p>                                                                                                                                                                                                                                                                                                                                                                                                                 | <p>The Bank has a Sustainable Finance Framework which inter alia focuses on 10 green categories: Renewable Energy, Energy Efficiency, Pollution Prevention and Control, Sustainable Water and Wastewater Management, Environmentally Sustainable Management of Living Natural Resources and Land Use, Terrestrial and Aquatic Biodiversity, Clean Transportation, Climate Change Adaptation, Circular Economy and Green Buildings. These are some areas where the Bank sees opportunities through the provision of transition financing.</p>                                               | Positive |
|   |                                | Risk        | <p>The Bank is also cognisant of climate-related financial risks and the need to address these issues.</p> <p>Risks entail possible physical and transition risks, pertaining to the Bank's own assets and its lending portfolio. The Bank recognises the importance of making better climate-informed financial decisions.</p> <p>There could arise reputational risks if the Bank is unable to meet changing requirements of its key stakeholders pertaining to its climate-related financial disclosures.</p> | <p>The Bank has an ESG Risk Management Framework for lending wherein certain wholesale borrowers with direct risk appetite above a prescribed threshold undergo enhanced Environmental and Social (E&amp;S) due diligence as part of the Credit Appetite Memorandum. The Bank also has an exclusion list for lending, wherein it will not lend to specified sectors/categories which in the Bank's assessment are detrimental from an environmental and social (E&amp;S) risk perspective.</p> <p>The Bank on a voluntary basis has been making climate-related financial disclosures.</p> | Negative |

## SECTION B: MANAGEMENT AND PROCESS DISCLOSURES

**The National Guidelines for Responsible Business Conduct (NGRBC) as prescribed by the Ministry of Corporate Affairs advocates nine principles referred as P1-P9 as given below:**

|    |                                                                                                                                    |
|----|------------------------------------------------------------------------------------------------------------------------------------|
| P1 | Businesses should conduct and govern themselves with integrity, and in a manner that is ethical, transparent and accountable       |
| P2 | Businesses should provide goods and services in a manner that is sustainable and safe                                              |
| P3 | Businesses should respect and promote the well-being of all employees, including those in their value chains                       |
| P4 | Businesses should respect the interests of and be responsive towards all its stakeholders                                          |
| P5 | Businesses should respect and promote human rights                                                                                 |
| P6 | Businesses should respect, and make efforts to protect and restore the environment                                                 |
| P7 | Businesses when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent |
| P8 | Businesses should promote inclusive growth and equitable development                                                               |
| P9 | Businesses should engage with and provide value to their consumers in a responsible manner                                         |

[Anti-Bribery and Anti-Corruption Policy](#)

## 5. Number of Directors / KMPs / employees against whom disciplinary action was taken by any law enforcement agency for the charges of bribery / corruption

|           | FY 2024-25 | FY 2023-24 |
|-----------|------------|------------|
| Directors | Nil        | Nil        |
| KMPs      | Nil        | Nil        |
| Employees | Nil        | Nil        |

## 6. Details of complaints with regards to conflict of interest

|                                                                                          | FY 2024-25 |         | FY 2023-24 |         |
|------------------------------------------------------------------------------------------|------------|---------|------------|---------|
|                                                                                          | Number     | Remarks | Number     | Remarks |
| Number of complaints received in relation to issues of conflict of interest of directors | Nil        | N.A.    | Nil        | N.A.    |
| Number of complaints received in relation to issues of conflict of interest of KMPs      | Nil        | N.A.    | Nil        | N.A.    |

## 7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators / law enforcement agencies / judicial institutions, on cases of corruption and conflicts of interest.

N.A.

## 8. Number of days of accounts payables ((Accounts payable \*365) / Cost of goods/services procured) in the following format:

|                                     | FY 2024-25 | FY 2023-24 |
|-------------------------------------|------------|------------|
| Number of days of accounts payables | 4.6        | 7.4        |

**Note:** Numerator consists of sundry creditors for purchase of fixed assets and expenses accrued but not paid (expenses payable). The denominator for the above KPI represents 'purchases' made from vendors forming part of Schedule 16 and additions to fixed assets as per Schedule 10 of the Standalone Audited Financial Statements of the Bank.

An independent reasonable assurance has been carried out by SGS India Private Limited on the FY 2024-25 indicators in the table above.

## 9. Openness of Business

Provide details of concentration of purchases and sales with trading houses, dealers, and related parties along-with loans and advances & investments, with related parties, in the following format:

| Parameter                  | Metrics                                                                                  | FY 2024-25 | FY 2023-24 |
|----------------------------|------------------------------------------------------------------------------------------|------------|------------|
| Concentration of Purchases | a. Purchases from trading houses as % of total purchases                                 | -          | -          |
|                            | b. Number of trading houses where purchases are made from                                | -          | -          |
|                            | c. Purchases from top 10 trading houses as % of total purchases from trading houses      | -          | -          |
| Concentration of Sales     | a. Sales to dealers / distributors as % of total sales                                   | -          | -          |
|                            | b. Number of dealers / distributors to whom sales are made                               | -          | -          |
|                            | c. Sales to top 10 dealers / distributors as % of total sales to dealers / distributors  | -          | -          |
| Share of RPTs in           | a. Purchases (Purchases with related parties / Total purchases)                          | 1.44%      | 2.35%      |
|                            | b. Sales (Sales to related parties / Total Sales)                                        | 2.17%      | 1.81%      |
|                            | c. Loans & advances (Loans & advances given to related parties / total loans & advances) | 0.26%      | 0.39%      |
|                            | d. Investments (Investments in related parties / Total Investments made)                 | 1.66%      | 1.92%      |

**Note:**

- There were no purchases from trading houses in FY 2024-25.
- The Bank does not make any sales to dealers / distributors. The Bank's products and services are offered to customers directly.

An independent reasonable assurance has been carried out by SGS India Private Limited on the FY 2024-25 indicators in the table above.

**Leadership Indicators****1. Awareness programmes conducted for value chain partners on any of the principles during the financial year**

The Bank actively conducts various awareness programmes for its value chain partners, which may be attributed to Principle 1, 2 and 4. Elucidated below are some of the awareness programmes:

**Financial Literacy:** The Bank recognises that financial literacy is extremely critical to make financial inclusion meaningful. To help increase and strengthen the eco-system of Financial Literacy Centres (FLCs), the rural branches of the Bank conducts Financial Literacy Camps for farmers, self-help groups, small and micro entrepreneurs and senior citizens amongst others. The focus of the FLC camps is to create financial literacy awareness and safe usage of digital platforms. The Bank has cumulatively covered over 1.84 crore customers through its FLCs. During the financial year under review, the Bank conducted 4.97 lakh FLC camps covering 30.65 lakh participants.

**Cyber Security Awareness:** HDFC Bank regularly conducts cyber fraud awareness campaigns to educate customers, employees, stakeholders, and the general public on Fraud Modus Operandi, Social Engineering Techniques, Cyber Security, and Secure Banking Practices.

During the financial year 2024-25, the Bank conducted over 6,000 Cyber Fraud Awareness Workshops. These workshops aimed at educating customers, law enforcement agencies, senior citizens, Self-Help Groups, educational institutions, rural customers, vendors, partners and employees, among others.

Key initiatives include – (i) "Each One Teach One" campaign conducted during Teachers' Day week reaching 11,400 participants, (ii) "Teach India" cyber security campaign was conducted engaging over 300,000 participants, and (iii) Webinar on Fraud Trends and Safe Digital Banking Practices was conducted for employees across the bank. The webinar was addressed by a retired Indian Police Service (IPS) officer, sharing valuable insights to the Safe Digital Banking Practices.

The Bank's website also hosts a Secure Banking section with Do's and Don'ts, Top 10 common scam and details of Cyber Crime Helpline to promote safe and secure banking.

A mandatory course on information security awareness is designed by the Bank. All the employees of the Bank are mandated to take this course annually. A similar course on information security is mandated for all vendors operating out of our offices.

**Direct Selling Agents:** The Bank engages and spends a great deal of effort training its direct selling agents especially in terms of harnessing the new digital platforms as well as ensuring that they adhere to the Bank's Model Code of Conduct and have the right information to provide customers on various products and services of the Bank.

**Capacity Building:** Recognizing the Securities and Exchange Board of India's (SEBI) mandate for value chain disclosures under the BRSR Core framework, the Bank actively collaborated with its value chain partners through, (i) Targeted training and awareness programs to enhance value chain partners' understanding of ESG principles and BRSR Core requirements and (ii) Strengthening data collection systems to improve transparency and accountability.

**2. Does the entity have processes in place to avoid / manage conflict of interests involving members of the board? (Yes / No) If yes, provide details of the same.**

Yes. The Board of Directors are subject to the Board-approved Code of Ethics / Conduct which mandates that Board members shall avoid conflict of interest and disclose to the Board any material transaction or relationship that reasonably could be expected to give rise to such a conflict. The Board members are required to disclose any change in their interest in any entities to the Board as and when such changes occur and at a minimum at the first meeting of the Board held in the financial year.

In line with the extant RBI circulars on 'fit and proper' criteria, the Board members are required to provide a declaration and undertaking to the Bank on an annual basis and at the time of their appointment / re-appointment. This declaration also contains information of entities in which the directors have interest.

As and when any director is appointed / re-appointed, the Bank's secretarial team carries out a due diligence exercise which inter alia examines the possibility of conflict of interest.

## PRINCIPLE 2: BUSINESSES SHOULD PROVIDE GOODS AND SERVICES IN A MANNER THAT IS SUSTAINABLE AND SAFE

### Essential Indicators

1. **Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.**

|       | FY 2024-25 | FY 2023-24 | Details of improvements in environmental and social impacts                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|-------|------------|------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| R&D   | Nil        | Nil        | N.A.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Capex | 0.51%      | Nil        | <p>During FY 2024-25, the Bank commenced reporting on its capital expenditure towards.</p> <p>The key initiatives adopted in FY 2024-25 include installation of (i) Energy efficient equipment including BEE certified 5-star ACs, CPCB IV Compliant Diesel Gensets, (ii) Renewable energy infrastructure and (iii) Sewage Treatment Plant (STP)</p> <p>Enhanced energy efficiency and shift to renewable energy will result in reduction of GHG emissions emanating from our day-to-day operations.</p> |

**Note:** During the year, the Bank also made capital expenditure towards digitalisation initiatives which results in faster and greater efficiencies for customers. From an environmental perspective, this enables reduction in consumption of paper. Expense towards these initiatives have not been considered.

2. **a. Does the entity have procedures in place for sustainable sourcing? (Yes / No)**

Wherever feasible, the Bank actively integrates sustainable sourcing in its operations. For procurement of equipment, the Bank ensures that energy efficiency standards are considered during the purchase of electronic equipment such as computers, laptops, lighting devices, ACs, amongst others.

As of March 31, 2025, the Bank had 2,507 branches/offices in different cities, certified under the Green Interiors Rating System of Indian Green Building Council (IGBC). These green office ratings entail Platinum, Gold and Silver ratings from IGBC.

In line with IGBC's comprehensive rating modules encompassing eco design approach, interior materials, water conservation, indoor environment, energy efficiency and innovation, sustainable design elements have been incorporated at the Bank's green certified premises. The Bank uses GreenPro certified materials such as plywood, laminates, flooring tiles, false ceiling tiles, paints, adhesives and finishes in these premises.

During the year, we launched XPRESSWAY, a digital platform that provides a one-stop destination to avail banking products and services via do-it-yourself application, resulting in significant reduction in paperwork. The Bank also replaces the use of virgin paper with recycled paper wherever feasible.

- b. If yes, what % of goods were sourced sustainably?**

In FY 2024-25, recycled paper constituted 24% of our total paper procurement. Over a quarter of our offices adhered to IGBC prescribed sustainable sourcing checklist. Besides this the bank also procures energy efficient electronic equipments wherever feasible.

**3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.**

Given the nature of the business, the Bank does not have 'physical' product offerings in the normal course of its operations and hence reclamation of products is not applicable.

**4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.**

The Bank does not have 'physical' product offerings in the normal course of its operations and hence Extended Producer Responsibility is not applicable given the nature of business.

**Leadership Indicators**

**1. Has the entity conducted Life Cycle Perspective / Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details.**

N.A.

**2. If there are any significant social or environmental concerns and / or risks arising from production or disposal of your products / services, as identified in the Life Cycle Perspective / Assessments (LCA) or through any other means, briefly describe the same along-with action taken to mitigate the same.**

N.A.

**3. Percentage of recycled or reused input material to total material (by value) used in production (for manufacturing industry) or providing services (for service industry).**

| Input material cost | Recycled or re-used input material cost to total material cost |            |
|---------------------|----------------------------------------------------------------|------------|
|                     | FY 2024-25                                                     | FY 2023-24 |
|                     | 24%                                                            | 15%        |

**Note:** Recycled paper is one of the key input materials relevant for provision of banking services. In FY 2024-25, recycled paper procured constituted 24% of our total paper procurement which reduced the upstream emissions associated with paper procurement by 117.92 tCO<sub>2</sub>e.

**4. Of the products and packaging reclaimed at end of life of products, amount (in metric tonnes) reused**

|                                | FY 2024-25 |          |                 | FY 2023-24 |          |                 |
|--------------------------------|------------|----------|-----------------|------------|----------|-----------------|
|                                | Re-used    | Recycled | Safely Disposed | Re-used    | Recycled | Safely Disposed |
| Plastics (including packaging) | -          | -        | -               | -          | -        | -               |
| E-waste                        | -          | -        | -               | -          | -        | -               |
| Hazardous waste                | -          | -        | -               | -          | -        | -               |
| Other waste                    | -          | -        | -               | -          | -        | -               |

**Note:** Given the nature of the business, the Bank does not engage in offering physical products and hence this is not applicable.

**5. Reclaimed products and their packaging materials (as percentage of products sold) for each product category.**

N.A.

### PRINCIPLE 3: BUSINESSES SHOULD RESPECT AND PROMOTE THE WELL-BEING OF ALL EMPLOYEES, INCLUDING THOSE IN THEIR VALUE CHAINS

#### Essential Indicators

##### 1. a. Details of measures for the well-being of employees

| Category                       | % of employees covered by |                  |           |                    |         |                    |         |                    |         |                     |         |
|--------------------------------|---------------------------|------------------|-----------|--------------------|---------|--------------------|---------|--------------------|---------|---------------------|---------|
|                                | Total (A)                 | Health Insurance |           | Accident Insurance |         | Maternity Benefits |         | Paternity Benefits |         | Day Care Facilities |         |
|                                |                           | Number (B)       | % (B / A) | Number (C)         | % (C/A) | Number (D)         | % (D/A) | Number (E)         | % (E/A) | Number (F)          | % (F/A) |
| Permanent employees            |                           |                  |           |                    |         |                    |         |                    |         |                     |         |
| Male                           | 1,58,449                  | 1,58,449         | 100       | 1,58,449           | 100     | 0                  | 0       | 1,58,449           | 100     | 1,58,449            | 100     |
| Female                         | 56,072                    | 56,072           | 100       | 56,072             | 100     | 56,072             | 100     | 0                  | 0       | 56,072              | 100     |
| Total                          | 2,14,521                  | 2,14,521         | 100       | 2,14,521           | 100     | 56,072             | 26      | 1,58,449           | 74      | 2,14,521            | 100     |
| Other than permanent employees |                           |                  |           |                    |         |                    |         |                    |         |                     |         |
| Male                           | 24                        | 0                | 0         | 0                  | 0       | 0                  | 0       | 0                  | 0       | 0                   | 0       |
| Female                         | 7                         | 0                | 0         | 0                  | 0       | 0                  | 0       | 0                  | 0       | 0                   | 0       |
| Total                          | 31                        | 0                | 0         | 0                  | 0       | 0                  | 0       | 0                  | 0       | 0                   | 0       |

**Note:** All employees are covered under health and accident insurance (within India). Medical expenses and insurance to maternity claims are covered under health insurance coverage. Employees based abroad are covered as per benefits guided by local regulations in respective countries.

The Bank undertakes various employee engagement initiatives for the well-being of its employees. For the physical well-being of the employees, the Bank offers medical insurance, medical reimbursements and health check-ups. Some offices of the Bank have creche facilities in its premises and for other locations on a pan-India basis, the Bank has tie ups with external parties who run day care centres where employees can avail such services.

The Bank supports mental wellbeing of its employees through Employee Assistance Program (EAP) that provides confidential, 24/ 7 support to employees facing personal or work-related challenges. The Bank also publishes mindfulness series where situational coping mechanisms and mindfulness techniques are shared periodically with all employees. Stress management and emotional well-being sessions are also conducted periodically. An internal wellness channel is run to create awareness about the importance of nutrition, exercise, mindfulness and overall well-being of all the employees.

##### b. Details of measures for the well-being of workers

N.A.

##### c. Spending on measures towards well-being of employees

|                                                                             | FY 2024-25 | FY 2023-24 |
|-----------------------------------------------------------------------------|------------|------------|
| Cost incurred on well-being measures as a % of total revenue of the company | 0.21%      | 0.22%      |

An independent reasonable assurance has been carried out by SGS India Private Limited on the FY 2024-25 indicators in the table above.

#### Note:

- For the numerator, well-being measures for employees represents maternity and paternity leave benefits and expenses towards Medclaim insurance, health check-ups and medical reimbursements.

- For the denominator, revenue includes Interest Earned and Other Income, excluding profit/ (loss) on sale of buildings & other assets (net) in the Audited Standalone Financial Statements of the Bank.
- For maternity and paternity benefits, per day salary is calculated basis the fixed pay at the financial year end or the fixed pay of the employee on the date of leaving, as applicable.

## 2. Details of retirement benefits for the current and previous financial year

| Benefits                       | FY 2024-25                                         |                                                          | FY 2023-24                                         |                                                      |
|--------------------------------|----------------------------------------------------|----------------------------------------------------------|----------------------------------------------------|------------------------------------------------------|
|                                | No. of employees covered as a % of total employees | Deducted and deposited with the authority (Y / N / N.A.) | No. of employees covered as a % of total employees | Deducted and deposited with the authority (Y/N/N.A.) |
| PF                             | 100                                                | Yes                                                      | 100                                                | Yes                                                  |
| Gratuity                       | 100                                                | Yes                                                      | 100                                                | Yes                                                  |
| Employee State Insurance (ESI) | N.A.                                               | N.A.                                                     | N.A.                                               | N.A.                                                 |
| Others                         | N.A.                                               | N.A.                                                     | N.A.                                               | N.A.                                                 |

## 3. Accessibility of workplaces

**Are the premises / offices accessible to differently abled employees as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.**

The Bank has recognised the importance of improving infrastructure requirements to facilitate fair and free access for all employees. 2,044 of the Bank's branches have ramps installed for facilitating access to differently abled stakeholders. The Bank's ATM machines for visually challenged customers operate on a voice guided system with braille enabled keys which guide in transacting at the ATM.

## 4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy.

The 'Conduct Philosophy' enshrines that the Bank is an equal opportunity employer and does not discriminate on the basis of race, caste, religion, colour, marital status, gender, sexual orientation, age, nationality or ethnic origin.

Web link: [Conduct Philosophy](#)

The Diversity, Equity, Inclusion (DEI) Policy adopted by the Bank reiterates on equal opportunities for Persons with Disabilities.

Web link: [DEI Policy](#)

## 5. Return to work and retention rates of permanent employees and workers that took parental leave.

| Benefits | Permanent employees     |                    |
|----------|-------------------------|--------------------|
|          | Return to work rate (%) | Retention rate (%) |
| Male     | 99.7                    | 78.1               |
| Female   | 97.3                    | 71.4               |
| Total    | 99.1                    | 76.5               |

**Note:** Retention rate determines those who returned to work after parental leave ended and were still employed 12 months later.

**6. Is there a mechanism available to receive and redress grievances for the following categories of employees**  
**If yes, give details of the mechanism in brief.**

Yes, the Bank has a grievance mechanism for employees. The Human Resources department engages closely with employees to get a pulse of the sentiment of employees. The employees have access to the 'My Concern' portal to put forth their grievances, if any. All the concerns are collated and redirected to relevant teams for resolution.

**7. Membership of employees in association(s) or unions**

| Category                         | Total employees in respective category (A) | FY 2024-25                                                                           |             |
|----------------------------------|--------------------------------------------|--------------------------------------------------------------------------------------|-------------|
|                                  |                                            | No. of employees in respective category, who are part of association(s) or union (B) | % (B / A)   |
| <b>Total Permanent Employees</b> | <b>2,14,521</b>                            | <b>208</b>                                                                           | <b>0.10</b> |
| <b>Male</b>                      | <b>1,58,449</b>                            | <b>153</b>                                                                           | <b>0.10</b> |
| <b>Female</b>                    | <b>56,072</b>                              | <b>55</b>                                                                            | <b>0.10</b> |
| <b>FY 2023-24</b>                |                                            |                                                                                      |             |
| <b>Total Permanent Employees</b> | <b>2,13,527</b>                            | <b>213</b>                                                                           | <b>0.10</b> |
| <b>Male</b>                      | <b>1,57,917</b>                            | <b>159</b>                                                                           | <b>0.10</b> |
| <b>Female</b>                    | <b>55,610</b>                              | <b>54</b>                                                                            | <b>0.10</b> |

**9. Details of performance and career development reviews of employees**

The Bank adopts a comprehensive multi-dimensional performance management system that enables strategic alignment, individual goal setting, continuous feedback, and career development by carrying out performance reviews twice a year- (i) mid-year and (ii) annual review.

**Management by Objectives (MBO):** Employees set predefined and measurable goals after discussions with their supervisors at the beginning of the year. The goals and KRAs are aligned with the strategic objectives set for the year by the senior management and cascaded to the rest of the Bank.

**Team Performance Evaluation:** The Bank conducts an organization wide survey on sentiment, culture and team experience, which is aggregated and the scores of the same are used as inputs during the annual performance review discussion of managers. Managers are also evaluated based on their team's performance and overall competency. Development needs are identified basis this exercise.

**Agile Communication:** The Bank encourages ongoing performance conversations between employees and their supervisors and records it formally during mid-year and annual performance review. The appraiser and the appraisee have a joint performance discussion based on the self-evaluation filled by the appraisee. The discussion includes feedback on performance, competencies, development needs and career aspirations, post which the appraiser records his/ her evaluation and overall feedback in the document.

**Performance Grading:** Performance is evaluated on a 4-point scale. In addition, the Bank has a talent management and review process where HR along with the business or functional heads review the talent at certain periodicity and identifies specific development needs to support their career progression. This translates into training and development initiatives and lateral career movement opportunities for the talent.

| Category         | FY 2024-25 |          |         | FY 2023-24 |          |         |

**Note:** Column 'B' and 'D' comprise all employees who are eligible for performance and career development review. Only employees who have completed the probation period with the Bank are eligible for performance review.

## 10. Health and safety management system

### a. Whether an occupational health and safety management system has been implemented by the entity? (Yes / No). If yes, the coverage such system?

HDFC Bank aims to maintain health and safety standards at the workplace. Safety checks and assessments of the physical infrastructure are carried out periodically. The Bank also conducts several awareness and training programs for its employees and relevant stakeholders.

During the year, the 'Fire and Life Safety' module was launched on our learning and development platform MPower to ensure employee awareness on how to handle crisis and how to use the life safety equipment.

Emergency evacuation drills and training programmes on 'How to Use Fire Extinguishers' are conducted on a regular basis.

To enhance fire preparedness and to ensure safety of the employees, fire and safety audits are carried out in offices on a pan-India basis.

### b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

The Bank has an internal incident reporting portal which captures incidents across locations. The concerned teams compile the root cause analysis of the incidents and maintain the record of incidents, if any, on the portal.

### c. Whether you have processes for employees to report the work-related hazards and to remove themselves from such risks.

Yes.

### d. Do the employees have access to non-occupational medical and healthcare services?

Yes.

## 11. Details of safety related incidents

| Safety Incident / Number                                                      | Category  | FY 2024-25 | FY 2023-24 |
|-------------------------------------------------------------------------------|-----------|------------|------------|
| Number of Permanent Disabilities                                              | Employees | 0          | 0          |
|                                                                               | Workers   | 0          | 0          |
| Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked) | Employees | 0          | 0          |
|                                                                               | Workers   | 0          | 0          |
| No. of fatalities                                                             | Employees | 0          | 0          |
|                                                                               | Workers   | 0          | 0          |
| High consequence work-related injury or ill-health (excluding fatalities)     | Employees | 0          | 0          |
|                                                                               | Workers   | 0          | 0          |

### Note:

- All employees of the Bank are categorised as permanent or other than permanent i.e. on a contract basis. The Bank does not employ any workers; accordingly, worker related KPIs are nil and the same have not been included in any of the prescribed tables in the BRSR.
- For high consequence work-related injury or ill-health (excluding fatalities), the Bank has considered work-related injury or ill-health, which results in an injury from which the employee cannot or is not expected to recover fully to the previous health status.
- The Bank has considered injuries/fatalities caused due to the nature of the work or directly related to the performance of work-related tasks.

An independent reasonable assurance has been carried out by SGS India Private Limited on the FY 2024-25 indicators in the table above.

## 12. Describe the measures taken by the entity to ensure a safe and healthy workplace.

The Bank has an Occupational Health and Safety Policy. The Bank also has in-house safety and security professionals to help ensure a safe workplace. Awareness programmes on safety are conducted for various stakeholders. During the year, bank initiated the '3E Program' – Educate, Enhance & Establish.

**Educate** – Inculcate the culture of safety by sharing information through internal communication on different subjects and ensure that the employees are equipped to handle any kind of crisis.

**Enhance** – On-ground training on 'Fire & Life Safety' through evacuation drills is conducted to ensure preparedness. During FY 2024-25, 177 fire drills were conducted across locations.

**Establish** – Multi-lingual poster with emergency contact numbers and evacuation steps are put up in all the branches.

Further, a benchmarking and gap assessment is undertaken periodically to assess requisite up-gradations or changes required to benchmark standards on Environment, Health and Safety (EHS).

### 13. Number of complaints on the following made by employees

|                    | FY 2024-25            |                                       |         | FY 2023-24            |                                       |                                                                                               |
|--------------------|-----------------------|---------------------------------------|---------|-----------------------|---------------------------------------|-----------------------------------------------------------------------------------------------|

| Working conditions | 0                     | 0                                     | -       | 0                     | 0                                     | -                                                                                             |
| Health and safety  | 0                     | 0                                     | -       | 2                     | 0                                     | Behavioural issue in one case; Other case on office amenities was found to be unsubstantiated |

### 14. Assessments for the year

|                             | % of your plants and offices that were assessed (by entity or statutory authorities or third parties)                                                    |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Health and safety practices | 100% assessment as part of internal audits on safety related issues.<br>5,770 electrical safety third party audits were carried out on a pan-India basis |
| Working Conditions          | 0                                                                                                                                                        |

### 15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health and safety practices and working conditions.

The Bank recognises the importance of a robust Environment, Health and Safety framework to ensure maintenance of benchmark health and safety practices within the organisation. With increased focus on health and well-being, special health check-up camps are conducted on a periodic basis for employees.

Further, as a responsible bank, under the Business Continuity Plan, the Bank conducts robust drills on a periodic basis to ensure readiness in the eventuality of the BCP needing to be activated.

Employees are encouraged to raise safety-related issues, if any, on the 'My Concern' portal on the intranet.

### Leadership Indicators

#### 1. Does the entity extend any life insurance or any compensatory package in the event of death of employees (Y / N)

Yes, the Bank extends a comprehensive compassion package in the event of death of an employee as detailed below:

- Payment of Ex-Gratia Scheme: To provide immediate monetary assistance to the distressed family and financial support and help to recover from the sudden deprivation of the income of the deceased employee, ex-gratia lumpsum amount as per grade up to a certain level is given;
- Financial support on education to the dependent children till graduation in India up to a maximum of ` 5 lakh per child for 2 children;
- Compassionate employment: With an objective to provide support to the family who has lost an earning member due to death of an employee, the kin of the employee is offered employment in the Bank based on the respective educational qualification of the candidate, subject to fulfilment of other eligibility criteria. The Bank also provides the necessary training and skills to the candidate as required.

**2. Provide the measures undertaken by the entity to ensure that statutory dues have been deducted and deposited by the value chain partners.**

As per the Bank's Code of Conduct, it expects its employees and all third parties it deals with, to adhere to the ethics and values as elucidated in the code. The Bank ensures that taxes/ statutory dues as applicable to the transactions within the remit of the Bank are deducted and deposited in accordance with its laid out standard operating procedures which are in line with extant regulations. The Bank expects its value chain partners, including service providers to be compliant with statutory dues/ other requirements. These form a part of the covenants in the legal contracts between the Bank and its value chain partners.

**3. Provide the number of employees having suffered high consequence work-related injury / ill-health / fatalities (as reported in Q11 of Essential Indicators above), who have been rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment:**

|           | Total no. of affected employees           |            | No. of employees that are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment |            |
|-----------|-------------------------------------------|------------|-------------------------------------------------------------------------------------------------------------------------------------------|------------|
|           | FY 2024-25                                | FY 2023-24 | FY 2024-25                                                                                                                                | FY 2023-24 |
| Employees | N.A. There were no work-related injuries. |            |                                                                                                                                           |            |

**4. Does the entity provide transition assistance programmes to facilitate continued employability and the management of career endings resulting from retirement of employment? (Yes / No)**

Yes. The Bank offers a comprehensive suite of learning offerings in facilitator led and self-paced learning formats. The learning offerings cover a wide range of functional, professional development and leadership development themes.

The Bank runs a unique retirement transition programme, 'Life 2.0'. The programme covers financial planning, healthy living and other subject areas to ensure retired employees are gainfully engaged post-retirement.

**5. Details on assessment of value chain partners**

|                             | % of value chain partners (by value of business done with such partners) that were assessed |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Health and safety practices | Nil                                                                                         |
| Working conditions          |                                                                                             |

**Note:** As part of the ESG & Climate Risk Assessment in accordance with the ESG Risk Management Framework, certain wholesale loans undergo an enhanced E&S assessment. These borrowers provide the Bank with details on their health and safety practices and working conditions as part of the social impact assessment.

**6. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from assessments of health and safety practices and working conditions of value chain partners.**

N.A.

## PRINCIPLE 4: BUSINESSES SHOULD RESPECT THE INTERESTS OF AND BE RESPONSIVE TO ALL ITS STAKEHOLDERS

### Essential Indicators

#### 1. Describe the processes for identifying key stakeholder groups of the entity.

HDFC Bank maps its stakeholders based on their level of interest, influence, and impact on the Bank. This inter alia includes communities, investors, employees, customers, value chain partners, regulators and the government.

#### 2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.

| Key Stakeholders         | Whether identified as Vulnerable & Marginalised Group (Yes / No)                                    | Channels of communication (Email, SMS, Newspaper, Pamphlets, Advertisement, Community Meetings, Notice Board, Website), Others                                                                                                                                                        | Frequency of engagement (Annually / Half yearly / Quarterly / others - please specify)                             | Purpose and scope of engagement including key topics and concerns raised during such engagement                                                                                       |

## Leadership Indicators

### 1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

The Bank is dedicated to driving positive change and believes that sustainable growth is key to creating long-term value for all the stakeholders. Active engagement on economic, environmental and social matters is conducted with the relevant stakeholder groups – customers, employees, shareholders, investors, regulators, vendors and communities – on an ongoing basis.

These engagements take place through multiple channels such as town halls, training sessions, social media platforms, customer satisfaction surveys, stakeholder engagement exercises and materiality assessment.

These forums provide valuable insights that help identify key issues, evaluate business practices, mitigate risks, and enhance the Bank's impact across the ecosystem. Feedback from these engagements is analysed and communicated to the Board and Senior Management through a structured process. The Bank ensures that stakeholder concerns are considered in strategic decision-making through the following governance mechanisms:

- The CSR & ESG Committee of the Board is responsible for overseeing the identification, implementation, and monitoring of all the CSR initiatives. It also ensures transparent reporting and effective communication with stakeholders on CSR, ESG framework and related strategic goals and disclosures.
- The Bank's Board-level Customer Service Committee is constituted to drive continuous improvements in the quality of customer services provided by the Bank and develop innovative measures for enhancing the customer experience and quality of customer service.

### 2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Yes. The Bank engages with its key stakeholders on an ongoing basis to identify pertinent environmental and social topics of interest to its stakeholders and addresses them through periodic updates through policies and programmes. The Bank reviewed its material topics through consultations with multiple stakeholder groups. The exercise was designed to identify how various areas impact the Bank's stakeholders. For each of the material topics identified through this consultation process, the Bank has a robust approach, as detailed in its Integrated Annual Report. The Bank will continue to align its overall strategy in line with material topics identified.

To quote a few examples, the Bank had aligned its ESG reporting with the requirements of SEBI which is one of its key stakeholders. Additionally, the Bank ensures compliance with the requirements of RBI as updated from time to time. The Bank is also cognizant of the evolving needs of its customers and offers new products to cater to customers' preference for ease of transactions across channels. Similarly, the Bank continues to offer new technology driven, best-in-class learning resources to its employees to cater to their learning and development needs. The Bank's CSR programmes are also designed to cater to the local needs and context of the communities they are designed to serve.

### 3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/marginalised stakeholder groups.

The Bank is committed to addressing the needs of vulnerable and marginalised stakeholder groups through both its financial inclusion strategy and community development initiatives. With the guidance of the Board governed Corporate Social Responsibility (CSR) Policy, the Bank continues to implement well-structured programmes and interventions aimed at improving the well-being of marginalised communities and contributing to their sustainable development.

The key approach focused on lending to marginal/vulnerable groups is the Bank's Sustainable Livelihoods Initiative, empowering them through access to credit and livelihood support. Over 50% of the Bank's branches are in rural and semi-urban areas, to increase the financial inclusion penetration across the country.

The Bank actively supports several schemes of the government which inter alia include loans to street vendors, artisans, MSMEs, loans to women entrepreneurs, farmers, contributing to employment generation and improved livelihoods. The Bank has also extended financial support to agri-infrastructure projects, micro food processing, agri clinics and agri-business centres and rural and urban livelihood missions. In FY 2024-25, the Bank enrolled 4.5 million customers under various government social security schemes, including basic banking accounts, low-cost insurance for underprivileged segments, and pension schemes for unorganised sector workers.

Further, the Bank is committed to expand access to affordable housing. During the year, 64% of home loans (in volume terms) and 37% (in value terms) were approved for customers from economically weaker sections (EWS), low-income groups (LIG), and middle-income groups (MIG).

## PRINCIPLE 5: BUSINESSES SHOULD RESPECT AND PROMOTE HUMAN RIGHTS

### Essential Indicators

#### 1. Employees who have been provided training on human rights issues and policy(ies)

| Category               | FY 2024-25      |                              |           | FY 2023-24      |                              |           |
|------------------------|-----------------|------------------------------|-----------|-----------------|------------------------------|-----------|
|                        | Total (A)       | No. of employees covered (B) | % (B/A)   | Total (C)       | No. of employees covered (D) | % (D/C)   |
| <b>EMPLOYEES</b>       |                 |                              |           |                 |                              |           |
| Permanent              | 2,14,521        | 2,04,683                     | 95        | 2,13,527        | 1,93,104                     | 90        |
| Other than permanent   | 31              | -                            | -         | 38              | -                            | -         |
| <b>Total Employees</b> | <b>2,14,552</b> | <b>2,04,683</b>              | <b>95</b> | <b>2,13,565</b> | <b>1,93,104</b>              | <b>90</b> |

**Note:** Human rights training entails training of the Bank's policies and procedures with respect to human rights issues.

#### 2. Details of minimum wages paid to employees.

| Category             | Total (A) | FY 2024-25            |         |                        |         | Total (D) | FY 2023-24            |         |                        |         |
|----------------------|-----------|-----------------------|---------|------------------------|---------|-----------|-----------------------|---------|------------------------|---------|
|                      |           | Equal to Minimum Wage |         | More than Minimum Wage |         |           | Equal to Minimum Wage |         | More than Minimum Wage |         |

| Employees other than BoD and KMP | 1,58,443 | 5,56,005                                                          | 56,072 | 3,86,345                                                          |

**Note:** Further categorisation of details of remuneration of employees other than Board of Directors (BoD) and Key Managerial Personnel (KMP)

| Employees other than BoD and KMP*               | Male     |                                                                   | Female |                                                                   |
|-------------------------------------------------|----------|-------------------------------------------------------------------|--------|-------------------------------------------------------------------|
|                                                 | Number   | Median remuneration / salary / wages of respective category ( ` ) | Number | Median remuneration / salary / wages of respective category ( ` ) |
| Senior Management                               | 216      | 1,23,89,109                                                       | 25     | 1,22,67,665                                                       |
| Middle Management                               | 7,959    | 39,05,221                                                         | 1,200  | 39,46,992                                                         |
| Junior Management                               | 28,666   | 15,12,120                                                         | 5,499  | 14,80,000                                                         |
| Non-Supervisory Staff (Includes sales officers) | 1,21,602 | 3,93,363                                                          | 49,348 | 3,50,045                                                          |

### 3. b. Gross wages paid to females as % of total remuneration paid

|                                                | FY 2024-25 | FY 2023-24 |
|------------------------------------------------|------------|------------|
| Gross wages paid to females as % of wages paid | 20%        | 19%        |

**Note:** The calculation of gross wages paid to female employees excludes retirement benefits, ESOPs and staff welfare expenses.

An independent reasonable assurance has been carried out by SGS India Private Limited on the FY 2024-25 indicators in the table above.

### 4. Do you have a focal point (Individual / Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes / No)

Yes. Refer Section B for details on the authority responsible for implementation and oversight of business responsibility.

### 5. Describe the internal mechanisms in place to redress grievances related to human rights issues

The Bank strictly adheres to the conduct philosophy adopted, which prohibits the use of child, forced, or compulsory labour. The conduct philosophy includes mechanisms to address issues related to mental or physical coercion, verbal abuse, sexual harassment, sexual abuse and slavery of employees. The Bank maintains a 'zero tolerance' policy on sexual harassment. An Internal Complaints Committee is in place to address such complaints. The Bank also has a whistleblower mechanism that provides a comprehensive framework for capturing and addressing complaints or grievances from the relevant stakeholders.

### 6. Number of complaints on the following made by employees

|                                    | FY 2024-25            |                                           |         | FY 2023-24            |                                           |         |
|------------------------------------|-----------------------|-------------------------------------------|---------|-----------------------|-------------------------------------------|---------|
|                                    | Filed during the year | Pending resolution at the end of the year | Remarks | Filed during the year | Pending resolution at the end of the year | Remarks |
| Sexual Harassment                  | 75                    | 10                                        | -       | 77                    | 12*                                       | -       |
| Discrimination at workplace        | 0                     | 0                                         | -       | 0                     | 0                                         | -       |
| Child Labour                       | 0                     | 0                                         | -       | 0                     | 0                                         | -       |
| Forced Labour / Involuntary Labour | 0                     | 0                                         | -       | 0                     | 0                                         | -       |
| Wages                              | 0                     | 0                                         | -       | 0                     | 0                                         | -       |
| Other human rights related issues  | 0                     | 0                                         | -       | 0                     | 0                                         | -       |

\*Complaints reported as pending at the close of FY 2023-24 were resolved in FY 2024-25.

### 7. Complaints filed under the Sexual Harassment of Women at the Workplace (Prevention, Prohibition and Redressal) Act, 2013 (PoSH)

|                                                                                                                               | FY 2024-25 | FY 2023-24 |
|-------------------------------------------------------------------------------------------------------------------------------|------------|------------|
| Total complaints reported under Sexual Harassment of Women at the Workplace (Prevention, Prohibition and Redressal) Act, 2013 | 75         | 77         |
| Complaints on PoSH as a % of female employees (%)                                                                             | 0.13       | 0.16*      |
| Number of complaints on PoSH upheld                                                                                           | 24         | 25         |

**Note:** For the purpose of calculating PoSH complaints as a percentage of female employees, average number of female employees is considered, in line with the Industry Standard Forum guidance.

Average number of female employees is computed basis the total female headcount at the beginning of the year and at the end of the year.

\*Previous year's number has been revised, accordingly.

## 8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases

As a responsible employer, the Bank is committed to creating a culture which is conducive, fair and harmonious amongst its employees. The Bank recognises its responsibility towards safeguarding and protecting women at the workplace from harassment. The Bank has put in place a code of conduct, applicable to all employees of the Bank. The Bank's Internal Committee deals with cases of sexual harassment of women at the workplace and ensures that there is a fair and detailed investigation done in utmost confidentiality, thus ensuring protection to the aggrieved party. Further, the whistleblower policy also serves as a safe mechanism which ensures confidentiality and ensures no discrimination towards the complainant.

## 9. Do human rights requirements form part of your business agreements and contracts (Yes / No)?

Yes, The Bank respects and upholds the principles of human rights as established in the United Nations Universal Declaration of Human Rights. Through this commitment, the Bank seeks to institutionalise appropriate policies and processes that safeguard the fundamental rights of all relevant stakeholders.

As part of the ESG Risk Management Framework on lending, loans above a stipulated threshold undergo enhanced environmental and social due diligence. The Bank's vendors and suppliers are expected to adhere to all applicable laws addressing child, forced or trafficked labour.

## 10. Assessments for the year

| % of offices that were assessed (by entity or statutory authorities or third parties) |     |
|---------------------------------------------------------------------------------------|-----|
| Child labour                                                                          | Nil |
| Forced / involuntary labour                                                           |     |
| Sexual harassment                                                                     |     |
| Discrimination at workplace                                                           |     |
| Wages                                                                                 |     |
| Others - please specify                                                               |     |

## 11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 10 above.

N.A.

## Leadership Indicators

### 1. Details of a business process being modified/introduced as a result of addressing human rights grievances / complaints.

N.A.

### 2. Details of the scope and coverage of any human rights due-diligence conducted.

Nil

### 3. Is the premise / office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

The Bank is committed to improving infrastructure and services to be more inclusive and also ensure fair and free access for visitors. In terms of accessibility, 2,044 of the Bank's branches have ramps installed for facilitating access to differently abled stakeholders. Many of the Bank's premises are located on the ground floor or have elevator access. The Branch ATMs are voice-guided and Braille keypads assist visually impaired customers. Further, the Bank also offers doorstep banking services for senior citizens and differently abled customers.

#### 4. Details on assessment of value chain partners

| % of value chain partners (by value of business done with such partners) that were assessed |     |
|---------------------------------------------------------------------------------------------|-----|
| Sexual Harassment                                                                           |     |
| Discrimination at workplace                                                                 |     |
| Child Labour                                                                                | Nil |
| Forced Labour / Involuntary Labour                                                          |     |
| Wages                                                                                       |     |
| Others - please specify                                                                     |     |

**Note:** While assessments by value have not been aggregated, for our service providers, there are enabling clauses in the master agreements on adherence to applicable labour legislations. As part of the ESG and Climate Change Assessments undertaken for certain wholesale borrowers as per the ESG Risk Management Framework, parameters such as labour/ employee health and safety, prohibition of child labour and human rights protection are included in the E&S assessment.

#### 5. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 4 above.

N. A.

## PRINCIPLE 6: BUSINESSES SHOULD RESPECT AND MAKE EFFORTS TO PROTECT AND RESTORE THE ENVIRONMENT

### Essential Indicators

#### 1. Details of total energy consumption (in Joules or multiples) and energy intensity

| Parameter                                                                                                                                                                           | FY 2024-25          | FY 2023-24          |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|---------------------|
| <b>From renewable sources (in GJ)</b>                                                                                                                                               |                     |                     |
| Total electricity consumption (A)                                                                                                                                                   | 66,436.61           | 11,772.84           |
| Total fuel consumption (B)                                                                                                                                                          | -                   | -                   |
| Energy consumption through other sources (C)                                                                                                                                        | -                   | -                   |
| <b>Total energy consumed from renewable sources (A+B+C)</b>                                                                                                                         | <b>66,436.61</b>    | <b>11,772.84</b>    |
| <b>From non-renewable sources (in GJ)</b>                                                                                                                                           |                     |                     |
| Total electricity consumption (D)                                                                                                                                                   | 14,10,725.08        | 25,23,514.68        |
| Total fuel consumption (E)                                                                                                                                                          | 5,85,716.08         | 4,97,686.11         |
| Energy consumption through other sources (F)                                                                                                                                        | -                   | -                   |
| <b>Total energy consumed from non-renewable sources (D+E+F)</b>                                                                                                                     | <b>19,96,441.16</b> | <b>30,21,200.79</b> |
| <b>Total energy consumed (A+B+C+D+E+F) (in GJ)</b>                                                                                                                                  | <b>20,62,877.77</b> | <b>30,32,973.62</b> |
| <b>Energy intensity per rupee of turnover</b> (Total energy consumed / Revenue from operations) (GJ per ` in crore)                                                                 | 5.96                | 9.87                |
| <b>Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP)</b> (Total energy consumed / Revenue from operations adjusted for PPP) (GJ per USD in million) | 12.32               | 20.39               |
| <b>Energy intensity in terms of physical output</b> (GJ/ Full Time Employees (FTE))                                                                                                 | 9.62                | 14.20               |

#### Note:

- Energy consumed from fuels include energy from consumption of petrol and diesel in company-owned vehicles and gensets.
- For gensets and company owned vehicles, petrol/ diesel purchase data is extracted from the Bank's financial records. The cost of diesel/ petrol purchased is converted into litres of petrol/ sdiesel using state-wise/ national average rates derived from information available in the public domain.
- A combination of consumption based and spend-based approach is adopted to calculate electricity consumption from local grids – for branches, offices, ATMs and Data Centers.
- Electricity consumption from renewable energy sources is generated through in-house solar rooftops installed at 25 locations and purchased green power at 19 locations.
- Total energy consumption decreased primarily due to the change in energy accounting methodology. There is a transition from a purely spend-based estimation approach to a more refined method that combines actual energy consumption data with financial data, resulting in a more accurate reporting of electricity consumption.
- All the intensity related computation across energy, emissions, water and waste are based on Total Revenue, which includes interest earned under Schedule 13 and other income, excluding profit/ (loss) on sale of buildings & other assets (net) earned under Schedule 14 of the Audited Standalone Financial Statements of the Bank.
- For the purpose of calculation of intensity, adjusted for Purchasing Power Parity (PPP), conversion factor @20.66 INR/ USD as per IMF has been applied consistently for both FY2024-25 and FY2023-24.

**Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency?  
If yes, name of the external agency.**

Yes, an independent reasonable assurance has been carried out by SGS India Private Limited for the FY 2024-25 indicators in the table above.

- 2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y / N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.**

N.A.

- 3. Provide details of the following disclosures related to water.**

| Parameter                                                                                                                        | FY 2024-25   | FY 2023-24   |
|----------------------------------------------------------------------------------------------------------------------------------|--------------|--------------|
| <b>Water withdrawal by source (in kilolitres)</b>                                                                                |              |              |
| (i) Surface water                                                                                                                | 0            | 0            |
| (ii) Groundwater                                                                                                                 | 0            | 0            |
| (iii) Third party water                                                                                                          | 26,02,703.66 | 24,08,078.16 |
| (iv) Seawater / desalinated water                                                                                                | 0            | 0            |
| (v) Others                                                                                                                       | 0            | 0            |
| <b>Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v)</b>                                                  | 26,02,703.66 | 24,08,078.16 |
| <b>Total volume of water consumption (in kilolitres)</b>                                                                         | 5,20,540.73  | 4,81,615.63  |
| <b>Water intensity per ` of turnover</b> (Total water consumption / Revenue from operations) (Kilolitre per ` crore)             | 1.50         | 1.57         |
| <b>Water intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP)</b> (kilolitre per PPP adjusted million USD) | 3.11         | 3.24         |
| <b>Water intensity in terms of physical output</b> (Total water consumption / Full Time Employee) (kilolitre per employee)       | 2.43         | 2.26         |

**Note:**

- Water withdrawn is estimated based on the document by the Central Ground Water Authority (CGWA), which specifies that an office employee consumes 45 litres per day per head. This amount is recorded as water withdrawn from third party source.
- Water discharged is considered as 80% of the water withdrawn from source based on Central Pollution Control Board (CPCB) database report dated December 24, 2009. Therefore, it is assumed that of the total water withdrawal, only 20% is consumed.

**Indicate if any independent assessment / evaluation / assurance has been carried out by an external agency?  
If yes, name of the external agency.**

Yes, an independent reasonable assurance has been carried out by SGS India Private Limited for the FY 2024-25 indicators in the table above.

**4. Provide the following details related to water discharged**

|                                                                              | FY 2024-25          | FY 2023-24          |
|------------------------------------------------------------------------------|---------------------|---------------------|
| <b>Water discharge by destination and level of treatment (in kilolitres)</b> |                     |                     |

| <b>Total water discharged (in kilolitres)</b>                                | <b>20,82,162.93</b> | <b>19,26,462.53</b> |

**Note:** Water discharged is considered as 80% of the water withdrawn from source based on CPCB database report dated December 24, 2009 and reported as water sent to third parties.

**Indicate if any independent assessment / evaluation / assurance has been carried out by an external agency? If yes, name of the external agency.**

Yes, an independent reasonable assurance has been carried out by SGS India Private Limited for the FY 2024-25 indicators in the table above.

**5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.**

The Bank does not generate industrial wastewater, as the operations are primarily service led. The Bank's facilities are either connected to municipal wastewater collection systems or to the facility-owner's wastewater treatment systems. The wastewater generated by the Bank's activities are therefore directed to established systems where it is treated appropriately as per the discretion of the municipal agencies/ facility owner (third parties).

**6. Details of air emissions (other than GHG emissions) by the entity**

| Parameter                           | Unit          | FY 2024-25 | FY 2023-24 |
|-------------------------------------|---------------|------------|------------|
| NOx                                 | Metric Tonnes | 308.25     | -          |
| SOx                                 | Metric Tonnes | 24.32      | -          |
| Particulate Matter (PM)             | Metric Tonnes | 9.63       | -          |
| Persistent organic pollutants (POP) | Metric Tonnes | -          | -          |
| Volatile organic compounds (VOC)    | Metric Tonnes | -          | -          |
| Hazardous air pollutants (HAP)      | Metric Tonnes | -          | -          |
| Others - please specify             | Metric Tonnes | -          | -          |

**Note:** The NOx, SOx and PM emissions provided above are attributed to diesel consumption in DG sets within the Bank's operational boundary. These emissions have been calculated using site-specific data and emission factors published by the USEPA.

While the nature of banking operations does not typically result in significant air emissions, the Bank is cognisant of air quality within its premises. As a proactive measure, the Bank has undertaken the estimation and disclosure on air emissions.

## 7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity

| Parameter*                                                                                                                                                                                                   | Unit                                                          | FY 2024-25                                     |                                                |                                                 |                           | FY 2023-24                                     |                                                |                                                 |                           |

**Note:**

- Scope 1 emissions include emissions from company-owned cars, company-owned diesel gensets, fugitive emissions from air conditioners and fire extinguishers.
- For the computation of emissions from company-owned cars and company-owned gensets, emission factors from Intergovernmental Panel on Climate Change (IPCC) guidelines 2006 have been applied to quantities deemed for energy consumption in Principle 6, Essential Indicators: Question 1.
- Fugitive emissions from fire extinguishers are estimated using operational assets and public factors on leakage from USEPA guidance, with Global Warming Potential (GWP) values derived from IPCC Sixth Assessment Report (AR6).
- For air conditioners, the Bank's operational assets define the boundary. Emissions are estimated using India's refrigerant usage trends, vendor-provided average refrigerant capacities, leakage assumptions from Council on Energy, Environment and Water (CEEW) and GWP derived factors from IPCC AR 6.
- Scope 2 emissions are reported using a combination of consumption based and spend-based data. The reported figures are derived using market-based approach with grid emission factor from Version 20 of the Central Electrical Authority's CO<sub>2</sub> database.
- Scope 1 emissions have reduced largely on account of gradual transition to low GHG fire extinguishers from high GHG based fire extinguishers.
- The reduction in Scope 2 emissions is primarily attributed to the procurement of renewable energy, sourced through rooftop solar installations and green power purchase. In addition, system enhancements during FY 2024-25 enabled the shift to a mixed approach of using— consumption and spend-based data, as compared to a complete spend based computation adopted in the previous year.

**Indicate if any independent assessment / evaluation / assurance has been carried out by an external agency? If yes, name of the external agency.**

Yes, an independent reasonable assurance has been carried out by SGS India Private Limited for the FY 2024-25 indicators in the table above.

**8. Does the entity have any project related to reducing Green House Gas emission? If yes, then provide details.**

Yes. The Bank is cognisant of its impact on the environment and is actively engaged in reducing its energy consumption and emissions across its operations. Automated energy management solutions are deployed at some of the branches, which helps monitor energy consumption and control usage. This initiative has resulted in savings of about 623.84 MWh in FY 2024-25, leading to avoidance of 453.53 tCO<sub>2</sub>e emissions.

The Bank implemented static Power Factor (PF) solutions through the installation of Active Harmonic Filter (AHF) with the aim to address the correction of power factor and bring in efficiencies at the branch locations. The project was implemented at 84 locations and electricity savings amounted to close to 84.32 MWh in FY 2024-25.

Wherever feasible, the Bank has adopted renewable energy sources into the overall power consumption. The Bank has 25 rooftop solar plants with a cumulative capacity of about 743 kWh across the country leading to an emission reduction of 609.02 tCO<sub>2</sub>e. During the year, the bank increased the number of locations under green power. As on March 31, 2025, 19 locations received 100% green power. This resulted in increase in the renewable energy mix of the bank by 17,616.9 MWh, resulting in the avoidance of approximately 12,807.48 tCO<sub>2</sub>e of Scope 2 emissions.

To adopt a more holistic approach to emission reduction within owned operations, the Bank evaluates all the new projects for feasibility of green certification by the Indian Green Building Council (IGBC). As of March 31, 2025, 2,507 branches and offices have been green certified by IGBC.

## 9. Provide details related to waste management by the entity

| <b>Total waste diverted to disposal</b>                                                                                            | <b>3,651.29</b> | <b>4,063.11</b> |

**Note:**

- Due to the nature of operations of the Bank, no bio-medical, construction and demolition, and radioactive waste attributable to the Bank was generated.
- E-Waste generated, recycled and disposed, includes IT related e-waste and datacentre e-waste which is centrally managed and recycled through authorised vendors.
- Paper waste majorly constitutes paper procured for the Bank's own use and is shown as sector-specific paper waste. The quantity of waste generated is assumed to be disposed through other disposal operations.
- The waste quantities presented in the table above are estimated by extrapolating actual data from select locations, using employee count as an operational proxy. These figures primarily cover waste from owned facilities with waste segregation and recycling practices in place, except for e-waste, battery waste and paper waste, which also include data from other locations.
- During the reporting period, the Bank implemented several initiatives to reduce the usage of single-use plastic in the office premises and also sensitised the workforce towards exploring alternative solutions to replace plastic waste, leading to reduction in amount of plastic waste generated.

**Indicate if any independent assessment / evaluation / assurance has been carried out by an external agency? (Y / N) If yes, name of the external agency.**

Yes, an independent reasonable assurance has been carried out by SGS India Private Limited for the FY 2024-25 indicators in the table above.

**10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.**

The Bank does not use hazardous and toxic chemicals in its products and processes. However, the Bank has been working towards sustainable management of waste generated from day-to-day operations. The Bank has adopted an internal Standard Operating Procedure to document its approach to waste segregation and handling in the office premises. The Bank segregates and recycles dry waste at select large offices. The dry waste is collected and disposed through authorised vendors who eventually recycle the waste. In FY 2024-25, approximately 421.82 tonnes of waste were diverted from landfill through recycling initiatives.

Disposal of Bank's owned IT e-waste and battery waste was handed over to authorized recyclers, thus ensuring circularity. In FY 2024-25, e-waste and battery waste within its premises and co-located data centres led to the generation and recycling of 133.77 tonnes of e-waste and 34.13 tonnes of battery waste.

**11. If the entity has operations/offices in / around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details.**

Given the nature of the business, the Bank does not have any operations or offices in ecologically sensitive areas.

**12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year.**

N.A.

**13. Is the entity compliant with the applicable environmental law / regulations / guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment Protection Act and Rules thereunder (Y / N). If not, provide details of all such non-compliances.**

The Bank complies with all applicable laws. There have been no instances of non-compliance with respect to the above-mentioned regulations.

**Leadership Indicators**

**1. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres)**

**For each facility / plant located in areas of water stress, provide the following information:**

- (i) Name of the area
- (ii) Nature of operations
- (iii) Water withdrawal, consumption and discharge

N. A.

**2. Please provide details of total Scope 3 emissions & its intensity, in the following format:**

| Parameter*                                                                                                                                                                      | Unit                                              | FY 2024-25                                     |                                                |                                                 | FY 2023-24                                     |                                                |                                                 |

| <b>Total Scope 3 emissions per ` crore of turnover</b>                                                                                                                          | Metric tonnes of CO <sub>2</sub> e per ` in crore | 0.67                                           |                                                |                                                 | 0.20                                           |                                                |                                                 |
| <b>Total Scope 3 emission intensity</b>                                                                                                                                         | tCO <sub>2</sub> e / Full time employee (FTE)     | 1.07                                           |                                                |                                                 | 0.29                                           |                                                |                                                 |

**Note:**

As part of our commitment to capturing value chain impacts, we are enhancing the coverage of our Scope 3 emission disclosures. We have included two more categories in the current reporting year, (i) Employee Commute (ii) Fuel and Energy Related Activities, in addition to emissions from Waste Generated in Operations, Business Travel and Upstream Leased Assets, reported last year.

**Financed Emissions:** In FY 2024-25, the Bank conducted a comprehensive assessment of financed emissions for its business loans with a total exposure of ` 1.90 lakh crore, in line with PCAF's guidance. The evaluated portfolio, was associated with an estimated 23.8 million tonnes of CO<sub>2</sub>e emissions.

**3. With respect to the ecologically sensitive areas reported at Question 11 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.**

Given the nature of business, the Bank does not have significant direct impacts on biodiversity. However, the Bank does ensure that the large industrial, infrastructure projects it lends to, are in compliance with all extant environmental regulations, including those linked to biodiversity.

**4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following:**

| Sr. No | Initiative undertaken                 | Details of the initiative                                                                                                                                                                                                | Outcome of the initiative                                                                                                                                                                                                                             |
|--------|---------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.     | On-site Solar Installation            | 25 Solar rooftop installations commissioned so far with a total installed capacity of around 743 kWp.                                                                                                                    | 837.72 MWh of electricity consumed from the solar rooftop plants, leading to an emission reduction of 609.02 tCO <sub>2</sub> e.                                                                                                                      |
| 2.     | Green Power                           | 100% of the power consumed at 19 locations is from green energy sources.                                                                                                                                                 | Procurement of 17,616.9 MWh of electricity under the green power arrangement during FY 2024-25, as a result of which, 12,807.48 tCO <sub>2</sub> e emissions were avoided during the year.                                                            |
| 3.     | Automated Energy Management Solutions | Automated energy management solutions that help monitor energy consumption and control usage have been implemented in 350 branches.                                                                                      | Automating energy management has resulted in savings of electricity amounting to about 623.84 MWh during the reporting period, leading to avoidance of 453.53 tCO <sub>2</sub> e emissions.                                                           |
| 4.     | Active Harmonic Filter (AHF)          | Static Power Factor (PF) solutions implemented across 84 locations through the installation of Active Harmonic Filter (AHF) to address the correction of power factor and bring in efficiencies at the branch locations. | The project led to electricity savings of 84.32 MWh resulting in reduction of GHG emissions by 61.3 tCO <sub>2</sub> e during the year.                                                                                                               |
| 5.     | Energy Efficient Equipment            | During FY 2024–25, the Bank allocated a total of 0.51% of the Bank's overall capital expenditure promote energy efficiency.                                                                                              | Installation of energy-efficient equipment such as BEE 5-star rated air conditioners, and CPCB IV compliant diesel generator sets; implementation of renewable energy solutions like solar panels and installation of sewage treatment plants (STPs). |

**5. Does the entity have a business continuity and disaster management plan?**

Yes, the Bank has a comprehensive Business Continuity Program certified under ISO 22301:2019 that ensures the reliability and seamless continuity of operations. Additionally, the Bank's business continuity programme overseen by the Business Continuity Steering Committee and chaired by the Chief Risk Officer, ensures the reliability and continuity of critical business operations and the accelerated resumption of services post-incident. The Business Continuity Programme defines clear roles and responsibilities across Crisis Management, Business Recovery, Emergency Response and IT Disaster Recovery teams. it is subject to regular internal, external and regulatory reviews.

The Bank imbibes highest standards of information and cyber security practices and data privacy measures. Proactive measures are taken to ensure the data protection and maintenance of customer trust.

**6. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard.**

The Bank is cognisant of the impact that its value chain may have on the environment. The Bank's ESG Risk Management Framework incorporates Environmental and Social due diligence for specified wholesale loan exposures.

Beyond verifying the borrowers' compliance with statutory laws and regulations, the Bank also assesses the corporate borrowers in terms of their current position with regards to ESG & climate change, their transition plans and their initiatives on mitigation of risks related to ESG and climate change. As regulatory frameworks on value chain and disclosures on Scope 3 emissions continue to evolve, we ensure ongoing compliance through active monitoring and alignment with best practices.

**7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.**

As a part of the regular credit monitoring process, the Bank assesses, relevant issues regarding environmental & social issues and the impact of climate change on the borrower's operations.

**8. How many green credits have been generated or procured?**

**(a) By the company - Nil**

**(b) By the top ten (in terms of value of purchases and sales respectively) value chain partners - Data not available**

## PRINCIPLE 7: BUSINESSES, WHEN ENGAGING IN INFLUENCING PUBLIC AND REGULATORY POLICY, SHOULD DO SO IN A MANNER THAT IS RESPONSIBLE AND TRANSPARENT

### Essential Indicators

#### 1. a. Number of affiliations with trade and industry chambers / associations.

The Bank is a member of 12 key trade and industry chambers / associations.

#### b. List of top 10 the trade and industry chambers / associations the entity is a member of / affiliated to

| S. No. | Name of the trade and industry chambers / associations                  | Reach of trade and industry chambers / associations (State / National) |

|-------------------|-------------------|-------------------------|
| Nil               | N.A.              | N.A.                    |

There have been no cases of anti-competitive conduct by the Bank.

### Leadership Indicators

#### 1. Details of public policy positions advocated by the entity

| S. No. | Public policy advocated                                                                                                                                                                                                             | Method resorted for such advocacy | Whether information available in public domain? (Yes/No) | Frequency of Review by Board (Annually / Half yearly / Quarterly / Others – please specify) | Web Link, if available |
|--------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------|----------------------------------------------------------|---------------------------------------------------------------------------------------------|------------------------|
| N.A.   | The Bank does not engage in policy advocacy. The Bank, however, does participate in external meetings pertaining to the banking sector and may provide feedback/ recommendations on emerging regulations and other relevant issues. |                                   |                                                          |                                                                                             |                        |

## PRINCIPLE 8: BUSINESSES SHOULD PROMOTE INCLUSIVE GROWTH AND EQUITABLE DEVELOPMENT

### Essential Indicators

- Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.**

N.A.

As per the BRSR, this section pertains to Social Impact Assessment in compliance with Right to Fair Compensation & Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013. Given the nature of the business of the Bank, this is not applicable.

- Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity.**

N.A.

- Describe the mechanisms to receive and redress grievances of the community.**

Internally there is a robust mechanism in place for the redressal of all grievances/complaints related to CSR project raised by the community stakeholders. There is a dedicated email id [CSR-Compliance@hdfcbank.com](mailto:CSR-Compliance@hdfcbank.com) displayed on the bank's website for receiving community grievances/ complaints. Further there is a designated team and internal committee formed that evaluates and redresses such grievances received.

- Percentage of input material (inputs to total inputs by value) sourced from suppliers.**

|                                              | FY 2024-25 | FY 2023-24 |
|----------------------------------------------|------------|------------|
| Directly sourced from MSMEs/ small producers | 10%        | 3%         |
| Directly from within India                   | 98%        | 98%        |

An independent reasonable assurance has been carried out by SGS India Private Limited on the FY 2024-25 indicators in the table above.

**Note:** The denominator for the above indicator represents 'purchases' made from vendors forming part of Schedule 16 and additions to fixed assets as per Schedule 10 of the Audited Standalone Financial Statements of the Bank.

- Job creation in smaller towns – Disclose remuneration paid to persons employed (including employees employed on a permanent or contract basis) in the following locations, as % of total remuneration**

| Location      | FY 2024-25 | FY 2023-24 |
|---------------|------------|------------|
| Rural         | 4%         | 4%         |
| Semi-urban    | 14%        | 16%        |
| Urban         | 22%        | 21%        |
| Metropolitan* | 60%        | 59%        |

\*Metropolitan includes employees posted at overseas locations.

**Note:**

For the purpose of categorisation of people employed at locations in rural/ semi-urban/ urban/ metropolitan, the base location of employees as at March 31, 2025 has been considered, as per the Reserve Bank of India classification system.

An independent reasonable assurance has been carried out by SGS India Private Limited on the FY 2024-25 indicators in the table above.

## Leadership Indicators

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above).

N.A.

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies.

| S. No. | State          | Aspirational District | Amount spent (₹ in crore) |
|--------|----------------|-----------------------|---------------------------|
| 1      | Andhra Pradesh | Vizianagaram          | 0.06                      |
| 2      | Andhra Pradesh | Visakhapatnam         | 3.14                      |
| 3      | Andhra Pradesh | Y.S.R. Kadapa         | 0.06                      |
| 4      | Assam          | Goalpara              | 0.04                      |
| 5      | Assam          | Barpeta               | 0.28                      |
| 6      | Assam          | Hailakandi            | 1.86                      |
| 7      | Assam          | Baksa                 | 2.05                      |
| 8      | Assam          | Darrang               | 0.04                      |
| 9      | Assam          | Udalguri              | 2.04                      |
| 10     | Assam          | Dhubri                | 1.30                      |
| 11     | Bihar          | Sitamarhi             | 0.54                      |
| 12     | Bihar          | Araria                | 2.04                      |
| 13     | Bihar          | Katihar               | 2.04                      |
| 14     | Bihar          | Muzaffarpur           | 0.59                      |
| 15     | Bihar          | Begusarai             | 0.16                      |
| 16     | Bihar          | Khagaria              | 0.04                      |
| 17     | Bihar          | Banka                 | 1.12                      |
| 18     | Bihar          | Sheikhpura            | 0.04                      |
| 19     | Bihar          | Aurangabad            | 0.09                      |
| 20     | Bihar          | Gaya                  | 0.09                      |
| 21     | Bihar          | Nawada                | 0.68                      |
| 22     | Bihar          | Jamui                 | 1.21                      |
| 23     | Chhattisgarh   | Korba                 | 1.98                      |
| 24     | Chhattisgarh   | Rajnandgaon           | 0.27                      |
| 25     | Chhattisgarh   | Mahasamund            | 4.31                      |
| 26     | Chhattisgarh   | Kanker                | 0.54                      |
| 27     | Chhattisgarh   | Dantewada             | 0.13                      |
| 28     | Chhattisgarh   | Bijapur               | 0.04                      |
| 29     | Chhattisgarh   | Bastar                | 2.33                      |
| 30     | Chhattisgarh   | Kondagaon             | 0.92                      |
| 31     | Chhattisgarh   | Sukma                 | 0.10                      |
| 32     | Gujarat        | Dahod                 | 0.04                      |
| 33     | Gujarat        | Narmada               | 0.04                      |

N.A.

**6. Details of beneficiaries of CSR Projects**

| S. No. | CSR Project                               | No. of persons benefitted from CSR projects | % of beneficiaries from vulnerable and marginalised groups |
|--------|-------------------------------------------|---------------------------------------------|------------------------------------------------------------|
| 1      | Rural development                         | 23,75,952                                   | 100                                                        |
| 2      | Promoting education                       | 4,74,036                                    | 100                                                        |
| 3      | Skill training and livelihood enhancement | 8,08,752                                    | 100                                                        |
| 4      | Environmental sustainability              | 1,30,641                                    | 100                                                        |
| 5      | Healthcare & hygiene                      | 72,876                                      | 100                                                        |

## PRINCIPLE 9: BUSINESSES SHOULD ENGAGE WITH AND PROVIDE VALUE TO THEIR CONSUMERS IN A RESPONSIBLE MANNER

### Essential Indicators

#### 1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

The Bank has adopted a well laid out Customer Service Approach and all its products and processes are customer centric to ensure seamless and quality customer service.

Customers are informed about the channels available for redressal of grievances. Some of these channels where complaints are received are the retail branch, phone banking call center, e-mails, grievance redressal cell, Principal Nodal Office, social media platforms, toll free number, virtual channels, letters amongst others. Complaints are also inter alia received through external sources including regulatory bodies, RBI Ombudsman, National Consumer Help Line and Centralised Public Grievance Redress and Monitoring System (CPGRAMS).

The Bank has implemented a Complaint Management System, 'CRM Next' for recording, resolving and monitoring of the complaints received. The Cards Business Customer Interface system is used for recording of credit card related complaints. Turnaround times are prescribed for various categories of complaints. On adequate resolution of the case, the same is communicated to the customer.

With a view to improve efficiency of the Grievance Redressal Mechanism in the Bank, a formal four level Grievance Redressal Mechanism is available:

Centralised Public Grievance Redress and Monitoring System:

Level-1: Resolution of first-time complaints received at any of the customer facing channels

Level-2: Complaints escalated to Grievance Redressal Cell

Level-3: Complaints escalated to the Principal Nodal Officer

Level-4: If the complaints are still not resolved to the satisfaction of the customer, they have the option to approach the RBI Ombudsman.

A complaint review mechanism has been implemented to ensure a proper review of a rejected customer complaint to ensure decisions are unbiased and fair prior to the same being communicated to the customer. Further, as per extant guidelines, the Bank has appointed three internal Ombudsmen to ensure that all rejections/ denials are independently reviewed by them.

#### 2. Turnover of products and / services as a percentage of turnover from all products / service

|                                                             | As % of total turnover                        |
|-------------------------------------------------------------|-----------------------------------------------|
| Environmental and social parameters relevant to the product | N.A. given the nature of the banking business |
| Safe and responsible usage                                  |                                               |
| Recycling and or safe disposal                              |                                               |

### 3. Number of consumer complaints in respect of the following

|                                | FY 2024-25               |                                    |         | FY 2023-24               |                                    |         |
|--------------------------------|--------------------------|------------------------------------|---------|--------------------------|------------------------------------|---------|
|                                | Received during the year | Pending resolution at end of year* | Remarks | Received during the year | Pending resolution at end of year* | Remarks |
| Data privacy                   | 1                        | 0                                  | -       | 5                        | 0                                  | -       |
| Advertising                    | 43                       | 1                                  | -       | 36                       | 0                                  | -       |
| Cyber-security                 | 0                        | 0                                  | -       | 0                        | 0                                  | -       |
| Delivery of essential services | 3,166                    | 27                                 | -       | 3,063                    | 29                                 | -       |
| Restrictive Trade Practices    | -                        | -                                  | -       | -                        | -                                  | -       |
| Unfair Trade Practices^        | 12,100                   | 145                                | -       | 11,563                   | 72                                 | -       |
| Others                         | 4,42,156                 | 16,133                             | -       | 4,70,672                 | 14,131                             | -       |

\*Pending cases are within the stipulated turnaround time (TAT) of the Bank.

^Also includes complaints on Restrictive Trade Practices

### 4. Details of instances of product recalls on account of safety issues

| FY 2024-25        | Number | Reasons for recall |
|-------------------|--------|--------------------|
| Voluntary recalls | Nil    | -                  |
| Forced recalls    | Nil    | -                  |

### 5. Does the entity have a framework / policy on cyber security and risks related to data privacy? (Yes / No) If available, provide a web-link of the policy.

Yes. The links for cyber security and data privacy are as under:

[Cyber Security Measures](#)

[Data Privacy](#)

The Bank has a board approved Information Security Policy and Cybersecurity Policy. The primary purpose of the Information Security Policy is to provide guidance on the Information Security controls that are applicable to various processes, services, people, IT and other assets across the Bank. The Bank's Information Security policy is based the guidelines provided by the regulator on Information Security, Electronic Banking, Technology Risk Management and Cyber Frauds (G. Gopalakrishna Committee) and industry standards (ISO 27001:13 and NIST 800-53). This inter alia covers critical areas of IT governance, information security, IS audit, IT operations, IT services outsourcing, cyber fraud, business continuity planning, customer awareness programmes and legal aspects.

The Bank's Cybersecurity Framework ensures that appropriate cyber security practices are followed across the Bank's information systems. The Bank's Cybersecurity Framework consists of key components -- identify, protect, detect, respond and recover. The Bank has a Security Operations Center (SOC), an upgraded monitoring and detection solution, 24x7 defacement monitoring and vulnerability management of the Bank's internet properties, a dedicated programme for attack surface management, antivirus / malware programme, patch management and penetration testing amongst others to fortify the Bank's assets, infrastructure and applications.

# REASONABLE ASSURANCE REPORT

## Data Privacy Framework

- **Privacy Governance:** The Bank has established a robust privacy governance framework that guides data privacy. This framework includes a designated data privacy officer (DPO), cross-functional privacy teams and a clear chain of responsibility for privacy-related matters.
- **Data Collection and Use:** The Bank is committed to transparent data collection and responsible use of personal information. The Bank communicates the purposes for which the data is collected. Individuals are provided with clear and concise privacy notices and are given the opportunity to provide informed consent for data processing activities.
- **Privacy Education and Awareness:** The Bank is committed to fostering a privacy-conscious culture within the organisation. The Bank provides privacy training and awareness programmes to employees, emphasising their roles and responsibilities in protecting personal information. E-learning programmes, regular privacy updates and communication channels are maintained to keep employees informed about privacy-related matters, emerging risks and best practices.
- **Privacy by Design:** Privacy is a fundamental consideration in the development of our products, services and systems. The Bank embraces the principles of 'privacy by design' to embed privacy safeguards into our processes from the outset. The Bank has established a process of performing data protection/privacy impact assessment to identify any privacy risk in any new/existing offerings of the Bank.

**6. Provide details of any corrective actions taken or underway on issues relating to advertising and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services.**

The Bank's 'CRM Next' system has the capability to record and categorise grievances into various types and maintain turnaround times for specific categories and sub-categories of grievances. Through the auto escalation mechanism there is more effective monitoring.

**7. Provide the following information relating to data breaches:**

**a. Number of instances of data breaches:**

The Bank did not witness any instances of data breaches during the year.

**b. Percentage of data breaches involving personally identifiable information of customers**

Nil

**c. Impact, if any, of the data breaches**

N.A.

**Note:** An independent reasonable assurance has been carried out by SGS India Private Limited on Question 7(b) for FY 2024-25.

## Leadership Indicators

**1. Channels / platforms where information on products and services of the entity can be accessed (provide web link, if available).**

**(provide web link, if available).**

The weblink is: <http://www.hdfcbank.com/>

Details of the nodal officers of the Bank with their contact details are also provided on the website.

**2. Steps taken to inform and educate consumers about safe and responsible usage of products and / or services.**

The Bank's Corporate Commitment and Citizens Charter elucidates on these aspects. The link is:

[HDFC Bank Citizen's Charter](#)

As a socially responsible corporate and leader in banking, the Bank recognises the importance of educating the public about safe banking practices in the era of digital payments. The Bank launched the 'Vigil Aunty' campaign to find an effective and creative way of educating and protecting Indians from fraudsters in an entertaining way. Further details are in the link below:

[Vigil Aunty - Use Secure Banking Services for a Fraud Free India | HDFC Bank](#)

**3. Mechanisms in place to inform consumers of any risk of disruption / discontinuation of essential services.**

The Bank takes proactive measures to ensure the reliability and seamless continuity of its operations. The Bank prioritises the highest standards of information and cyber security practices and data privacy measures, ensuring protection of sensitive data and maintaining the trust of its customers. Additionally, the ISO 22301:2019 certified Business Continuity Programme ensures the reliability and seamless continuity of operations. The Business Continuity Programme is designed to align with regulatory guidelines and undergoes thorough reviews and audits. The Bank's Business Continuity Programme helps manage continuity of critical business operations and accelerated resumption of services post the incident.

**4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes / No / Not applicable) If yes, provide details in brief. Did your entity carry out any survey with regard to consumer satisfaction relating to the major products/services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes / No)**

Customer feedback is critical and respective teams are expected to define actionables to improve the customer experience and share best practices to ensure consistent delivery across the bank. The Bank recognises the importance of the simple 'listen-learn-act' process to build a strong customer-centric culture.

The Bank's Net Promoter Score (NPS) measures customer satisfaction on a pan-India basis and across a suite of products and services. The NPS, which is branded "Infinite Smiles" is an ongoing survey. In FY 2024-25, 3 million customers responded to the survey and the overall NPS score stood at 70.
