24. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format.

S. no.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1.	Customer fairness and right-selling	Risk	Failure to serve with customer-appropriate product offering, or value-add for customers or inappropriate conduct can lead to loss of trust and risk the reputation of the Bank.	The Bank's philosophy of 'Fair to Customer, Fair to Bank' emphasises the need to deliver fair value to customers, including selling products and offer services which meet societal needs and are in the interest of customers. The Risk and Compliance Culture policy of the Bank articulates this as one of the key principles to be followed.	Negative
		Opportunity	Banking is a business based on trust, and requires high level of customer-appropriate conduct when engaging with customers. Generating business while protecting the interests of customers contributes to attracting customers and growth in business.	-	Positive
2.	Digital innovations/transformation	Risk	The increasing volume of digital transactions requires the Bank to ensure availability and scalability of systems. A misalignment between business and IT strategies is a potential risk. An elongated period of downtime in the Bank's digital channels could lead to operational and reputation risks for the Bank.	The Bank has been continuously investing in technology upgradation to enable it to respond to the changing technological dynamics in an agile and responsive manner. The Information Technology Strategy Committee, which is a Board-level Committee, ensures that information technology strategy is aligned with the business strategy and with appropriate policies and control frameworks. The Bank has a fully-equipped and ISO certified Disaster Recovery setup with periodic Business Continuity/Disaster Recovery drills undertaken.	Negative
		Opportunity	The Bank continuously strives to create digital innovations with rich features and functionalities for customers. The Bank's digital platforms have transformed to provide seamless banking experience. The open architecture platforms have enabled the Bank to extend banking services also to non-ICICI Bank account holders.	-	Positive

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

S. no.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
3.	Data privacy and cybersecurity	Risk	The growing focus of the Bank on digitization and increasing its customers' dependence on digital mode of transacting requires the Bank to ensure safety and security of its customer's money and personal identity. The increase in cyberattacks globally exposes the Bank to such risks. In a digital economy, the Bank also leverages partnerships with third parties and these could also be sources of information security risk	Dealing with cyber risks forms an integral part of the Bank's risk management framework. The Bank is committed to working towards aligning itself with the changing threat landscape and has a dedicated team for cyber/information risk management. The Bank has put in place an information/cyber security governance framework, the implementation and monitoring of which is the primary responsibility of the Bank's Chief Information Security Officer (CISO). The Bank has implemented a Data Leakage/ Loss Prevention (DLP) system, and operates a 24x7 Security Operation Centre (SoC) to monitor anonymous activities and cyberattacks, and ensure the highest level of cybersecurity standard. Relevant teams regularly undergo training to stay updated with the latest procedures and systems to ensure security of data. The Bank has a designated Data Protection Officer (DPO).	Negative
4.	Climate change	Risk	The Bank has laid emphasis on addressing the impact of climate related financial risks. Assessing the environmental impact of the Bank's own operations and facilities is another focus area.	The Bank has implemented a Social and Environmental Management Framework which provides the basis for screening new project finance proposals for social and environmental risks. The Bank is in the process of incorporating ESG and climate risk aspects as part of the credit evaluation process. Further, a Climate Risk Management Framework has been formulated that comprises assessment of impact of climate change on the Bank's own operations. The Framework also laid down process for scenario analysis and stress testing of Bank's corporate lending book, due to climate risk events.	Negative
		Opportunity	Significant opportunities are likely to emerge as efforts to meet national commitments towards sustainable growth and transition to become net zero by the year 2070 gain traction. The Bank has been supporting environmentally favourable projects in sectors like renewable energy, electric vehicles, waste management and others, based on an appropriate risk-return assessment. - Does the entity have processes in place to avoid/manage conflict of interests involving members of the Board? (Yes/No) If Yes, provide details of the same**

Yes. The Bank has adopted a Framework for Managing Conflict of Interest which articulates several measures to ensure that conflicts of interest are handled in an appropriate manner, at the individual employee level, at the level of Board of Directors and at the Group level.

The Bank receives declaration on an annual basis as well as changes, from time to time, from the members of the Board regarding the entities they are interested in and ensures requisite approvals, as required under the statute as well as the Bank's policies, are in place before transacting with such entities/individuals.

Moreover, the Directors are required to recuse themselves from the discussions pertaining to the conflict of interest. The Directors need to exercise their responsibilities in a bonafide manner in the interest of the Company.

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

Principle 2

Businesses should provide goods and services in a manner that is sustainable and safe

Essential Indicators

1. **Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively**

3. Accessibility of workplaces

Are the premises/offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

The Bank recognises that differently abled employees and workers need special arrangements in premises for their mobility and independent functioning. Hence, the Bank has provided ramp facility at branches wherever feasible and at the remaining branches, the Bank displays, at the entrance, the location of the nearest branch with ramp facility. At some of the Bank's owned premises, lifts have braille character pads for the visually impaired. Additionally, washrooms for differently abled are made available on the ground floor at some locations. Certain large offices have special equipment, such as stretchers and wheelchairs, for ease of movement.

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy

The Bank is committed to adoption of fair employment practices. It works towards diversity at workplace through efforts to recruit, develop and retain talented people from a diverse candidate pool. It upholds the principle that advancement is based on performance and there is a commitment to equal opportunity. This is mentioned in the Group Code of Business Conduct and Ethics. The Bank's Diversity, Equity and Inclusion Policy also emphasises maintaining a culture of no discrimination.

The Group Code of Business Conduct and Ethics is available at: https://www.icicibank.com/managed-assets/docs/personal/general-links/code_of_business_conduct_ethics.pdf

10. Health and safety management system:

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/No). If yes, the coverage such system?

Yes.

OHSAS 18001 was implemented at 13 premises of the Bank and the practices are continuing.

b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

The Bank has a process for identifying work related hazards, including collecting and reviewing all available information about potential and actual problems and periodic inspection of the workplace. A systematic approach has been adopted which involves division of the workplace into major areas like workstation, utility, storage, processing, customer service, and others, and with appropriate measures identified for the respective locations. The Bank has established a robust process for electrical and fire hazards including regular testing, ensuring use of protective equipment and training for emergency preparedness. At the Bank's large offices, some key activities include maintaining inventory of materials and material safety data sheets (MSDSs), periodic testing of premises for air, noise and illumination quality, an online system for recording safety related complaints from employees, and log of maintenance of the premises. Further, there is ongoing evaluation of branches and other premises for structural damages, and its relocation if required. Dedicated persons have been appointed for oversight on all work-related issues at the Bank's premises, for addressing concerns as well as maintaining reports and data on health and safety related matters.

c. Whether you have processes for workers to report the work related hazards and to remove themselves from such risks. (Y/N)

Yes.

The Bank has a process for reporting work related hazards. All large offices have designated managers, zonal safety and security managers, chief safety officers and floor marshals. Branches and other offices are mapped to respective infra facility managers/zonal infra facility head/branch manager and deputy branch manager to report work related hazards and initiate necessary action to mitigate any identified hazards.

d. Do the employees/worker of the entity have access to non-occupational medical and healthcare services? (Yes/No)

4. Do you have a focal point (Individual/Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)

Yes.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

The Bank has in place the Group Code of Business Conduct and Ethics, Whistleblower Policy, and Policy against Sexual Harassment at workplace, which have set mechanisms to redress grievances related to, and not limited to, human rights issues. Additionally, the Bank has the Human Rights Policy and Diversity, Equity and Inclusion Policy which states the commitment of ICICI Bank to promote and respect human rights and promote and nurture a culture of diversity, equity and inclusion.

Group Code of Business Conduct and Ethics - Any breach of the Code of Conduct (which includes workplace concerns and safety), is treated as misconduct. In cases where staff accountability has to be examined, the disciplinary process is carried out. Disciplinary procedure would start after detailed fact finding exercise/internal investigation including one-to-one discussion with the concerned employee, where-ever possible-by the respective business group and a detailed report to that effect is submitted to the human resources management group for taking the necessary action. Such investigation is carried out independent of the respective business group.

Whistle Blower Policy - An employee may send communication through e-mail to chairman.auditcommittee@icicibank.com or head.whistleblower@icicibank.com. The employee may also send a communication directly in writing through a letter to Chairman, Audit Committee or to Head – Legal/General Counsel of ICICI Bank Limited. Additional modes of communication or access may be made available to employees in appropriate or exceptional situations.

Policy against Sexual Harassment at workplace - To report a complaint, an employee can write to the secretary of the management committee, or raise a Service Request on the Bank's online portal available on the intranet. The secretary will then constitute an internal committee to take the investigation forward.

Human Rights Policy - The policy underlines ICICI Bank's commitment to promote and respect human rights and aims to provide a work environment that respects and upholds individual dignity. The Human Rights Policy of the organization is aligned to the United Nations Guiding Principles on Business and Human Rights (UNGP) and International Labour Organization's Declaration on Fundamental Principles and Rights at Work. ICICI Bank believes in the corporate responsibility in promoting and safeguarding internationally proclaimed human rights.

The Human Rights Policy aims to create awareness, promote and redress grievances in the following areas – Safe and Harassment Free Workplace, Free from Sexual Harassment, Diversity and Inclusion, Freedom of Expression, Free from Child and Forced Labour.

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

Diversity, Equity and Inclusion Policy - The policy underlines the Bank's commitment to nurturing and promoting a culture of diversity, equity and inclusion which enables the Bank's employees to work effectively, free from any biases. The objective of this policy is to:

- Promote a culture of DE&I (Diversity, Equity & Inclusion) across the organisation that percolates to every employee
- Ensure that the Bank continues to be an employer for diverse groups
- Maintain an environment of inclusion for all its employees
- Maintain a culture of no discrimination

The above policies are available in the Bank's intranet, which is accessible to all the employees.

- Proceed on paid leave till closure of investigation (on request by the complainant)
- Temporary posting to another branch/office till closure of investigation (on request by the complainant)
- 100% confidentiality on the case details, complainant and respondent

In whistle blowing cases, the identity of the whistle blower is not revealed. The Bank also does not tolerate any attempt on the part of anyone to retaliate, to cause disadvantage or to discriminate against any person who has reported to the Bank serious and genuine concerns regarding an apparent wrong-doing. Protection under the policy is available to the employee who raises the concern under this policy till such time that the complainant's employment subsists with the Bank or its subsidiaries.

8. Do human rights requirements form part of your business agreements and contracts? (Yes/No)

Yes.

The Bank is a responsible employer and ensures its policies and practices are in compliance with applicable human rights requirements including labour laws and POSH Act. It is also standard practice of the Bank to obtain confirmations from its significant service providers to ensure that they remain in compliance with applicable laws including labour laws.

- 6. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions/effluent discharge/waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:**

Sr. no.	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
1.	Use of electric vehicles for phone banking staff	The Bank has tied-up with a travel agency that provides electric vehicles for transport of Bank's staff at specific locations	66,000 km covered per month which provides an abatement of 15 tCO ₂ e on a monthly basis
2.	Atmospheric water generator	The Bank has commissioned 500 litres per day capacity machine for converting atmospheric moisture into clean potable water	Machine produces approximately 350 litres of water per day; eliminated reliance on packaged drinking water

- 7. Does the entity have a business continuity and disaster management plan? Give details in 100 words/web link.**

The Bank has a Business Continuity Management (BCM) plan to ensure continuity of critical services to customers and availability of critical systems during significant disruptions under defined disaster scenarios. In the event of a disaster, the Bank endeavours to resume business and operations to an acceptable level as per the Recovery Time Objectives (RTOs) detailed in the plan. The RTO provides guidance for prioritizing activities/systems, whenever necessary. There can be various external factors beyond the Bank's control, which could affect the actual RTOs. The BCM plans are reviewed and maintained to incorporate changes in the organisation or environment and are subject to modification based on the reviews, situations, circumstances, etc. The efficacy of the BCM plan is established through periodic business continuity testing.

The Bank also has a Disaster Recovery (DR) plan to ensure continuity of critical services to customers and availability of identified critical systems during significant disruptions. The DR plan for the identified critical applications are reviewed and maintained to incorporate changes in the application or environment and are subject to modification based on the reviews. The efficacy of the DR plan is established through periodic DR drills.

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

Principle 9

Businesses should engage with and provide value to their consumers in a responsible manner

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

The Bank has a Board approved Customer Grievance Redressal Policy which outlines the framework for addressing customer grievances. The grievance redressal mechanism is well-defined and comprehensive, with clear turnaround time for providing resolution to customers. A key principle of the grievance redressal mechanism is that all customers are treated fairly and without bias, transparency in customer engagement and timely resolution of the issue, and customer education. The Bank provides multiple channels like the branch, phone banking or digital channels through which a customer can seek a service or report a complaint. In case a customer is not satisfied with the resolution provided by the channel, there is an escalation process available to the customer, and a defined process at the Bank for managing escalated complaints.

2. Turnover of products and/or services as a percentage of turnover from all products/service that carry information about:

	As percentage of total turnover
Environmental and social parameters relevant to the product	NA
Safe and responsible usage	NA
Recycling and/or safe disposal	NA

3. Number of consumer complaints in respect of the following:

Others						

4. Details of instances of product recalls on account of safety issues:

	Number	Reasons for recall
Voluntary recalls	NA	NA
Forced recalls	NA	NA

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

5. Does the entity have a framework/policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

Yes

The Bank has a Board approved cyber security policy which is available to employees on the Bank's intranet. An extract of the Bank's privacy policy is available on <https://www.icicibank.com/privacy>.

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty/action taken by regulatory authorities on safety of products/services.

Corrective actions are taken on an ongoing basis.

Leadership Indicators

1. Channels/platforms where information on products and services of the entity can be accessed (provide web link, if available).

Details on products and services offered are available on the Bank's website www.icicibank.com

2. Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.

The Bank regularly conducts customer awareness campaigns through social media, notifications on mobile apps, e-mails and SMS regarding safe banking, cybersecurity as well as modus operandi of frauds prevalent in society. In addition to proactively sending customer awareness campaigns, the Bank creates awareness using other means like,

- 1) Safe Banking Tips - detailed 'Do's and Don'ts' are updated on the website www.icicibank.com
- 2) Messages along with statement of accounts, physical and online
- 3) Messages printed on Bank's stationery and inserts in deliverables
- 4) SMS alerts
- 5) Message on phone banking when the customer calls
- 6) Posters at branches and ATMs

The Bank also displays relevant messages at its offices/branches for customers. During FY2023, the Bank conducted an extensive public awareness campaign on fraud prevention on television and social media which was well-received. Further, recognizing customers' need to understand personal finance better, the Bank launched a unique digital initiative "The Orange Book" in fiscal 2022. This is a monthly e-magazine in English and Hindi language that covers an array of financial topics from investment planning, safe banking to tax savings, financial preparedness and much more. The aim is to educate customers about personal finance in a simple, easy-to-understand manner using contextual examples and infographics.

3. Mechanisms in place to inform consumers of any risk of disruption/discontinuation of essential services.

The Bank has set up a Customer Communication & Response Committee (CCRC) to manage customer communication and responsiveness of the Bank in case of system incidents. CCRC has representation from relevant stakeholder groups including customer service, retail business channels, technology, corporate brand and communications, risk, credit monitoring, etc. The key roles and responsibilities of the CCRC include assessing the impact of the system incident across channels and customer segments and deciding on whether to communicate, what to communicate, how to communicate and whom to communicate to. Also, in case of planned system downtime, customer communication is carried out by the channel teams within the Bank.

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

4. **Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/No/Not Applicable) If yes, provide details in brief.**

No

Did your entity carry out any survey with regard to consumer satisfaction relating to the major products/services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/No)

Yes.

The Bank, on a continuous basis, measures the advocacy and satisfaction levels of customers across key products and touch points. As part of this exercise, which is referred to as Net Promoter Score (NPS), the customer's likelihood to recommend, satisfaction levels with the product/transaction experience and voice of customer (VOC) are measured. Approximately 3.2 million customers are covered annually for their feedback. This feedback is analysed and the insights from the same are implemented to improve the products and processes and enhance the services of the Bank. In addition, extensive diagnostic customer researches in specific areas are conducted on a regular basis. The focus of these researches is to identify areas of improvement in the products and services of the Bank and define appropriate action points for improvement.

5. **Provide the following information relating to data breaches:**

(a) Number of instances of data breaches along-with impact: Nil

(b) Percentage of data breaches involving personally identifiable information of customers: Nil
