1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

- Navratna Cool Oils
- BoroPlus Antiseptic Cream
- Zandu & Mentho Plus Balms

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

Emami has undertaken special efforts in the area of Sustainable Development. The Company has designed technologies to enable resource efficient, sustainable manufacturing processes and technologies required to produce our products. The Company has proactively looked at opportunities in green solutions as well as organic product designs.

Section E: Principle wise performance

Principle 1: Ethics, Transparency and Accountability

1. Does the policy relating to ethics, bribery and corruption cover only the Company? Yes /No. Does it extend to the Group/joint ventures/suppliers/contractors/NGOs/others?

All individuals working in the Company are subject of the Company's policies on Ethics, Transparency and Accountability along with the Code of Conduct. The Code is applicable in line with the laws prevailing in the country of operation so far as the subsidiaries are concerned. Business Partners of the Company are encouraged to follow the code.

The company monitors energy, emissions and water use at a company level (and not product wise) for responsible resource utilization. Following are the details of the same-

Natural Resources utilized*	UOM	FY21	FY22
Energy consumption vs Production	MJ/MT	1,897	1,793
Water Consumption vs Production	KL/MT	1.51	2.11
Effluent Generation vs Production	KL/MT	1.30	1.43

*Data pertains to Emami Ltd manufacturing units only

Renewable energy consumption	FY21	FY22
Renewable energy consumption as a % of total energy consumption	2%	5%

Further, through the Company's "Design to Value" initiative it keeps on evaluating and optimizing plastic and paper consumption for its products without impacting quality and consumer experience. The Company has reduced plastic consumption by ~145 MT and paper consumption by ~75 MT in FY2021-22 which will continue for upcoming years. The Company has also collaborated with two renowned Plastic recycling organizations to deliver on its EPR compliance.

3. Does the Company have procedures in place for sustainable sourcing (including transportation)?

The company has a strong cross-functional communication to enable the sourcing team to procure optimum quantity in accordance with manufacturing and sales forecast. Emami has taken initiatives like using lightweight packing materials, recycled materials, optimising structural and material design to promote sustainability. The Company takes into consideration various social, ethical and environmental performance factors while selecting suppliers. Majority of the raw and packing materials are sourced from suppliers who are either covered by the company's sustainable sourcing programmes and/or are certified to be compliant with standards such as ISO 14001, OHSAS 45001, FSC, FDA, BRC and USRA. The company also engages with suppliers and transporters to establish and strengthen best practices that emphasizes on sustainable sourcing. Emami follows a comprehensive supplier assessment process to identify areas of improvement and providing required support to bridge the gaps.

Has the Company taken any steps to procure goods and services from local and small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

Emami collaborates with local authorities, Govt. institutions, self-help groups and engages with local farmers and collectors in various states through contractual cultivation of medicinal herbs. Emami Limited has conducted 20+ capability building programs across regions wherein the

company provides technical guidance, training on cultivation and post-harvest management to all 1200+ participant farmers along with quality planting material for this purpose. This initiative not only enhanced the incomes of the farmers but also made them aware about conservation of medicinal plants. The company has also facilitated registration of 800+ farmers under State Government Cultivation Programmes and distributed planting materials to farmers. Further, Emami sources more than 85% of its packing materials locally from the regional suppliers in the vicinity of its manufacturing sites supporting local economy and livelihood.

Inputs Sourcing	FY 21	FY 22
Directly sourced from MSMEs/ small producers	12%	13%
Sourced directly from within the district and neighbouring districts	43%	46%

4. Does the Company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

The Company has always strived to reduce waste associated with its products. Initiatives like using light-weight materials, optimising structural and material design and eliminating unnecessary packaging, have resulted in effective management of packaging waste. The Company has delivered EPR target as per plastic Waste management guidelines released in Feb'2022. Plastic waste for rigid & flexible (both single & MLP) were collected across different states under our Extended Producer's responsibility and disposed properly following released guidelines. This effort helps to clean society from plastic waste. The Company disposes wastes as below-

Name of Product / Service	Description of the risk / concern	Action Taken
Trade Effluent	Effluent water release from process may lead to water pollution.	Emami has effluent treatment plants to process effluent water and has maintained the parameters such as BOD,COD, TSS, Oil & Grease, pH as per standard given by the PCB.
Hazardous Waste	Hazardous waste have direct impact on land pollution.	Emami has engaged vendors (Authorized by the PCB) to dispose of hazardous waste as per guidelines by the PCB.

Name of Product / Service	Description of the risk / concern	Action Taken
Other waste such as plastic waste, e-waste.	Various types of waste release from packaging & process, which may lead to direct impact on land pollution.	Emami has engaged vendors (Authorized by the PCB) to recycle plastic waste & E-Waste as per guidelines issued by the PCB. End user certificate is maintained.

Principle 3: Employees' Well-being

1. Please indicate the total number of employees

3,205 permanent employees (Male 2,782; Female 423)

2. Please indicate the Total number of employees hired on temporary/ contractual/ casual basis

2,307 (Male 1,660; Female 647) employees hired on temporary/ contractual/ casual basis

3. Please indicate the number of permanent women employees

423 permanent women employees. As a policy, the company offers equal employment opportunities irrespective of any bias/restrictions on the basis of gender/ caste/ creed/ religion/ ethnicity. All selection decisions for hiring is purely based on merit.

4. Please indicate the Number of permanent employees with disabilities.

NIL. It is a matter of coincidence that the company does not have any employee with disability. Being an equal opportunity employer, the company never discriminates in selecting any candidate on the basis of their physical abilities. All employees selected into the company are selected purely on the basis of technical/professional/intellectual capability and purely on merit.

5. Do you have an employee association that is recognised by management?

6 Employee associations are recognised by the management

6. What percentage of your permanent employees is members of this recognised employee association?

1% of permanent employees are members of these recognized employee associations.

7. Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year

Category	No. of complaints filed during the FY	No. of complaints pending as on end of FY
Child labour/forced labour/involuntary labour	Nil	Nil
Sexual harassment	Nil	Nil
Discriminatory employment	Nil	Nil

8. What percentage of your under mentioned employees were given safety and skill up-gradation training in the last year?

Category	On health and safety measures	On Skill upgradation
Employees		
Male	69%	48%
Female	76%	53%
Total	70%	48%
Workers		
Male	99%	64%
Female	100%	99%
Total	99%	71%
Employees with Disabilities	N.A.	N.A.

Principle 4: Stakeholder Engagement

1. Has the Company mapped its internal and external stakeholders? Yes/No

Yes.

2. Out of the above, has the Company identified the disadvantaged, vulnerable and marginalised stakeholders?

Yes. Underprivileged communities around the Company's business locations are identified by Emami as disadvantaged, vulnerable and marginalised stakeholders. The needs and priorities of such stakeholders are identified by Emami. The Company continuously engages with all such stakeholders to serve these needs accordingly.

3. Are there any special initiatives taken by the Company to engage with the disadvantaged, vulnerable and marginalised stakeholders. If so, provide details thereof, in about 50 words or so.

The Company provides healthcare facilities to the underprivileged in and around its business premises. Emami conducts community development initiatives and disaster management initiatives across its factory locations. Emami also conducts drinking water and sanitation programme in schools, provides scholarships to deserving students, computer training programmes, beautician training programmes, stitching and tailoring programmes to the underprivileged across its business locations. Further details have been provided in the CSR report in the Annual Report of the Company.

Principle 5: Human Rights

1. Does the policy of the Company on human rights cover only the Company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

The Company follows its policy on Human Rights which are applicable to all employees in the Company. While identifying and engaging with any new business partner the company ensures due diligence to understand whether the selected partner is conscious of its social and environmental obligations. For its subsidiaries, the policy is applicable in line with the local requirements prevailing in the country of operation. The Company encourages its Business Partners to follow the policy. Emami discourages dealing with any supplier/contractor if it is in violation of human rights and also prohibits the use of forced or compulsory labour at all manufacturing units /with business associates.

2. How many stakeholder complaints pertaining to violation of Human Rights have been received in the past financial year and what percent was satisfactorily resolved by the management?

No complaint was received pertaining to human rights violation during the reporting period.

Principle 6: Environment Rights

1. Does the policy related to Principle 6 cover only the Company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.

The Company follows its policy on Environment Protection which is applicable to all its business places. For the subsidiaries, the policy is applicable in line with the local requirements prevailing in the country of operation. The Company encourages its business partners to follow the policy and due care is taken while selecting suppliers / contractors on this front who are selected on the basis of a Comprehensive Assessment Process to ensure sustainability. Further, suppliers / contractors having related ISO certification given preferential treatment in selection process.

2. Does the Company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.

The Company has started initiatives like installation of zero discharge ETP and a condensate recovery system. Further, four of Emami's manufacturing units are Zero Discharge effluent.

3. Does the Company identify and assess potential environmental risks? Y/N

Emami firmly believes in sustainable development which is reinforced by environmental management systems practiced across manufacturing units. Emami is consistently putting in efforts to improve the environment protection measures further.

4. Does the Company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if yes, whether any environmental compliance report is filed?

No

5. Has the Company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc.? Y/N. If yes, please give hyperlink for web page etc.

Emami has designed technologies to enable resource efficient, sustainable manufacturing processes and technologies required to manufacture its products. The power consumption of the Company is negligible compared to its revenues. The efforts of the Company are aimed to minimise energy consumption in spite of the rapid increase in operations of the Company.

6. Are the Emissions/Waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year being reported?

In FY22, the emissions, solid waste and effluents generated were within the limits as prescribed by CPCB or SPCB.

7. Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

Nil

Principle 7: Policy Advocacy

1. Is your Company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:

Yes. Emami Limited is a member of several industrial and trade bodies namely:

- a. Confederation of Indian Industry (CII)
- b. Federation of Indian Chamber of Commerce and Industry (FICCI)

- c. Associated Chamber of Commerce and Industry of India (ASSOCHAM)
- d. MCC Chamber of Commerce and Industry (MCCI)
- e. Bharat Chamber of Commerce (BCC)
- f. Indian Chamber of Commerce (ICC)

2. Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)

Yes. Emami has not only taken initiatives for the advancement / improvement of public good but also advocated through the above organisations on Economic Reforms.

Principle 8: Inclusive Growth and Equitable Development

1. Does the Company have specified programmes/ initiatives/projects in pursuit of the policy related to Principle 8? If yes details thereof.

Yes, the Company undertakes the initiatives through the CSR committee of the Board as per the CSR policy of the Company. The Company has a dedicated CSR Department, which evaluates monitors and supervises the CSR activities. A brief outline of the policy for undertaking the CSR activities of the Company includes the following:

- Promoting Healthcare, water and sanitation programmes;
- Promoting education, enhancing vocational skills and livelihood enhancement projects;
- Rural development, social upliftment programmes and promotion of art and Culture.

These projects are in accordance with Schedule VII of the Companies Act, 2013

2. Are the programmes/projects undertaken through in-house team/own foundation/external NGO/government structures/any other organisation?

The aforesaid projects have been carried out by the Company directly and/or through implementing agencies. The details can be found in Annexure IV of the Directors Report.

3. Have you done any impact assessment of your initiative?

Yes, the CSR committee internally performs an impact assessment of its initiatives at the end of each year to understand the efficacy of the program in terms of delivery of desired benefits to the community and to gain insights for improving the design and delivery of future initiatives.

4. What is your Company's direct contribution to community development projects- Amount in INR crore and the details of the projects undertaken?

Sl.	CSR Project	Expenditure
1	Promotion of Education & Vocational Skills	2.8
2	Providing Health-care, water & sanitation facilities	2.6
3	Social Upliftment Programmes	3.1
	Admin Cost & others	0.6
	TOTAL	9.1

Details of the same have been provided in Annexure IV of the Directors' Report.

5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.

All the businesses locations of Emami continuously engage with communities surrounding their operations through focused meetings. This is done to gauge the needs, priorities and expectations of the local community. Initiatives are thus designed and delivered in a transparent manner in line with inputs from the community itself. This is done to ensure flow of benefits to communities even if the Company is unable to support the programme in the future. This ensures successful adoption by communities to the extent possible.

Principle 9: Customer Value

1. What percentage of customer complaints/consumer cases are pending as on the end of financial year.

No consumer complaints are pending as on the end of financial year. However, nine consumer cases are pending as at the end of financial year.

2. Does the Company display product information on the product label, over and above what is mandated as per local laws? Yes/ No/ N.A./ Remarks (additional information)

Yes, over and above what is mandated by local laws like Bureau of Indian Standards Act and Drugs and Cosmetics Act, Emami displays product information on its packaging for the benefit of the consumer. The objective of providing this additional information is to enhance the value consumers can derive from the product. Furthermore, safe and appropriate use is also thereby ensured. The additional information on the product label relates to various active ingredients contained in the product, their proven clinical benefits, consumer grievance redressal mechanisms, directions for use, safety, caution etc. and varies from product to product.

Further, all the Company's products packed in rigid container e.g. bottle, jar, cap etc. are single resin and are 100% recyclable.

These components are marked with material identification symbol to facilitate sorting and recycling process. All flexible single or multilayer films are also marked with material identification symbol to facilitate sorting and recycling process.

3. Is there any case filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.

As discussed in Point 1, nine consumer cases are pending at various consumer forums.

4. Did your Company carry out any consumer survey/ consumer satisfaction trends?

Emami's innovation strategy has been to develop breakthrough products for the emerging consumer needs and

therefore the Company works towards delivering aspirational products. Consumer Research is at the heart of every product/ solution that we design. We conduct methodical research with respect to our products and advertisements. These surveys are conducted through established third party market research firms. We also undertake regular brand tracking researches to assess brand preference scores and impact of our advertisements. Blind product tests are also conducted to gauge consumer satisfaction vis-a-vis products of our competitors. Our innovation process ensures that we validate the concept, product and its packaging with the consumers through its lifecycle with the consumers and also follow up with them for their satisfaction post launch.
