| 1      | Workplace Safety                     | Risk                                       | Workplace safety plays an important role. If the safety measures are not adequate, it can lead to workplace accidents which will be detrimental to both the worker and the organization. It can lead to increased absenteeism, and in turn Lost time on account of the workplace injury.<br><br>The Company has a detailed safety policy that covers all aspects of workplace safety measures. These measures confirm the commitment of the organization environmental stewardship. | The detailed Safety policy of the organization prescribes the safety measures in all areas of work for all laboratories under its purview. The Company also enforces an annual health checkup for all technical roles involved with sample handling.<br><br>The safety gears like eye wash stations, gloves, lab coats, goggles, fire sprinklers, and fire extinguishers are provided to all the staff working inside the lab. Furthermore, stringent disinfection protocols are in place within the laboratories to maintain a clean and hygienic work environment. Regular fire drills are conducted to familiarize the staff of the evacuation procedures and to clarify their responsibilities during emergencies.<br><br>Apart from the above, the Biomedical Waste (BMW) management rules as stipulated by the Central Pollution Control Board (CPCB) guidelines are adhered to. | Negative - Workplace accidents or injuries can lead to loss of revenue.                                                                                                                                                                   |
|        |                                      | Opportunity                                | By following the health and safety guidelines and maintaining a safe work place, it will lead to reduced employee absenteeism and improved productivity.                                                                                                                                                                                                                                                                                                                            | -                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Positive                                                                                                                                                                                                                                  |
| 2      | Training and development of employee | Risk                                       | Training is vital to business success. Inadequately trained employees are likely to experience poor job performance and increased levels of work-related stress.<br><br>If there is inadequate training on the Standard Operating Procedures (SOPs) and process guidelines, the organizations runs the risk of non-accurate testing of patient samples.<br><br>Clear and well-defined SOPs are crucial for ensuring consistency, accuracy, and efficiency in laboratory operations. | The benefits of training and development of employees is huge e.g. Improved engagement, increased productivity, employee retention, improved employee skills, reduced turnover. The organization's focus is on the development of its employees and has invested in many training & development initiatives. These include a detailed induction training of all new joiners giving them a holistic overview of the organizations policies and practices, functional training, compliance trainings, and online modules.<br><br>There are customized Management Development Programs (MDPs) as per the employee development needs.                                                                                                                                                                                                                                                      | Negative - Insufficient or inadequate training can impact employee performance, leading to disengaged employee leading to decreased productivity, reduced commitment to organization goals. In labs it can also lead to material wastage. |

| 7 Statement by director responsible for the business responsibility report, highlighting ESG related challenges, targets and achievements:                                                                                                                 | Emphasizing the significance of ESG principles, the Company unwavering commitment to environmental, social, and governance initiatives. As an integral part of its operational ethos, sustainability drives the Company's endeavours, fostering growth, nurturing human capital, and instilling social responsibility. Notable achievements include advancements in waste management, plastic reduction, water conservation, paperless initiatives, and renewable energy adoption. Upholding ethical standards and transparency in governance, the Company endeavours to positively impact society and stakeholders. Dr. Lal PathLabs remains steadfast in its mission to provide affordable diagnostic tests, ensure accessibility, and uphold global ESG standards. |    |    |    |     |    |    |    |    |

| Workers                            | Four                                                   | 1. Compliance<br>a. POSH<br>b. COC *<br>c. Info-security *<br>d. Data Privacy *<br>2. Health & Safety *<br>3. Skill upgradation *<br>4. Human Rights * | 100%<br>95%<br>95%<br>95%<br>98%<br>92%<br>79%                              |

(\*) These trainings are conducted for new joiners only. The existing employees have completed these trainings earlier.

**2. Details of fines / penalties /punishment/ award/ compounding fees/ settlement amount paid in proceedings (by the entity or by directors / KMPs) with regulators/ law enforcement agencies/ judicial institutions, in the financial year, in the following format :**

(Note: the entity shall make disclosures on the basis of materiality as specified in Regulation 30 of SEBI (Listing Obligations and Disclosure Obligations) Regulations, 2015 and as disclosed on the entity's website):

| Type            | Monetary        |                                                                     |               |                   |                                        |
|-----------------|-----------------|---------------------------------------------------------------------|---------------|-------------------|----------------------------------------|
|                 | NGRBC Principle | Name of the regulatory/ enforcement agencies/ judicial institutions | Amount (In ₹) | Brief of the case | Has an appeal been preferred? (Yes/No) |
| Penalty/ Fine   | None            | -                                                                   | -             | -                 | -                                      |
| Settlement      | None            | -                                                                   | -             | -                 | -                                      |
| Compounding Fee | None            | -                                                                   | -             | -                 | -                                      |

| Type         | Non-Monetary    |                                                                     |                   |                                        |
|--------------|-----------------|---------------------------------------------------------------------|-------------------|----------------------------------------|
|              | NGRBC Principle | Name of the regulatory/ enforcement agencies/ judicial institutions | Brief of the case | Has an appeal been preferred? (Yes/No) |
| Imprisonment | None            | -                                                                   | -                 | -                                      |
| Punishment   | None            | -                                                                   | -                 | -                                      |

**3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or non-monetary action has been appealed:**

| Case Details   | Name of the regulatory /enforcement agencies/ judicial institutions |
|----------------|---------------------------------------------------------------------|
| Not Applicable |                                                                     |

**4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the policy:**

The Company has Code of Conduct (COC) in place for its Board Members, Senior Management and also for its Employees. The Code prohibits unethical behavior such as improper gifts, illegal payments or benefits etc.

The Code of Conduct (COC) for Board Members and Senior Management can be accessed at: <https://uat-cdn.drlallab.com/2023-06/Code-of-Conduct-for-Directors-and-Senior-Management.pdf>

The Code of Conduct (COC) for Employees of the Company is internally maintained.

**5. Number of Directors/ KMPs/ Employees/ Workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/ corruption:**

| Particulars | FY 2023-24 | FY 2022-23 |
|-------------|------------|------------|
| Director    | None       | None       |
| KMP's       | None       | None       |
| Employees   | None       | None       |
| Worker      | None       | None       |

**6. Details of complaints with regard to conflict of interest:**

| Particulars                                                                                 | FY 2023-24 |         | FY 2022-23 |         |
|---------------------------------------------------------------------------------------------|------------|---------|------------|---------|
|                                                                                             | Number     | Remarks | Number     | Remarks |
| Number of complaints received in relation to issues of conflict of Interest of the Director | None       | -       | None       | -       |
| Number of complaints received in relation to issues of conflict of Interest of the KMP's    | None       | -       | None       | -       |

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators/ law enforcement agencies/judicial institutions, on cases of corruption and conflicts of interest: None
8. Number of days of accounts payables ((Accounts payable \*365) / Cost of goods/services procured) in the following format:

| Particulars                         | FY 2023-24 | FY 2022-23 |
|-------------------------------------|------------|------------|
| Number of days of accounts payables | 43         | 39         |

9. Open-ness of business

Provide details of concentration of purchases and sales with trading houses, dealers, and related parties along-with loans and advances & investments, with related parties, in the following format:

| Parameters                 | Metrics                                                                              | FY 2023-24                                                                                 | FY 2022-23 |
|----------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------|------------|
| Concentration of Purchases | Purchases from trading houses as % of total purchases                                | 12.82                                                                                      | 14.25      |
|                            | Number of trading houses where purchases are made from                               | 164                                                                                        | 171        |
|                            | Purchases from top 10 trading houses as % of total purchases from trading houses     | 43.66                                                                                      | 48.60      |
| Concentration of Sales     | Sales to dealers / distributors as % of total sales                                  | Not Applicable as the Company does not provide its services through dealers/ distributors. |            |
|                            | Number of dealers / distributors to whom sales are made                              |                                                                                            |            |
|                            | Sales to top 10 dealers/ distributors as % of total sales to dealers / distributors  |                                                                                            |            |
| Share of RPTs in           | Purchases* (Purchases with related parties / Total Purchases)                        | 1.86                                                                                       | 0.26       |

(\*) Purchase includes Cost of materials consumed and Lab test expenses.

### Leadership Indicators

1. Awareness programmes conducted for value chain partners on any of the Principles during the financial year:

| Total number of awareness program held | Topics/ Principles covered under the training | %age of value chain partners covered (by value of business done with such partners) under the awareness programmes |
|----------------------------------------|-----------------------------------------------|--------------------------------------------------------------------------------------------------------------------|
| -                                      | -                                             | -                                                                                                                  |

Currently, the company has covered the employees and workers under the various awareness programs w.r.t. the BRSR principles.

2. Does the entity have processes in place to avoid/ manage conflict of interests involving members of the Board? (Yes/No) If Yes, provide details of the same:

Yes, The Company maintains a comprehensive Code of Conduct specifically designed for its Board Members and Senior Management. This code explicitly defines Conflict of Interest and outlines the necessary steps to prevent such conflicts. Interested parties can access the Code of Conduct on the Company's official website Link- <http://www.lalpathlabs.com/investors/investors-inside/policies-and-programs>

**PRINCIPLE 2:** Businesses should provide goods and services in a manner that is sustainable and safe

**Essential Indicators**

- Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively:**

| Particulars | FY 2023-24 | FY 2022-23 | Details of improvements in environmental and social impacts                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|-------------|------------|------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| R & D       | -          | -          | -                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Capex       | 11%        | 2%         | <ol style="list-style-type: none"> <li>Waste water treatment plants and Autoclaves were installed at Company's Laboratories for treatment of Bio Medical Wastes.</li> <li>Developed in house logistics app to optimize the routes thereby reducing the carbon footprint by the fleet.</li> <li>Onboarded electric vehicles (EVs) for sample/ consumable movements in Delhi - NCR</li> <li>Onboarded electric vehicle (EVs) Cab service providers as a partner for staff travel, which resulted in reducing carbon footprints.</li> </ol> |

- Does the entity have procedures in place for sustainable sourcing:** Yes

- If yes, what percentage of inputs were sourced sustainably ?** 30%

The Company actively pursues sustainable sourcing practices, ensuring that its social and environmental performance extends throughout its supply chain. By communicating expectations to vendors, the Company promotes localization of business operations by giving preference to local suppliers. Committed to environmentally responsible practices, the Company aims to minimize adverse effects on the community, environment, and natural resources while prioritizing public health and safety. Additionally, the Company has entered into a Power Purchase Agreement (PPA) for solar energy, contributing to the reduction of carbon footprints.

- Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste:**

As a provider of Diagnostic Services, the Company recognizes that reusing and recycling of waste materials are not directly applicable to its industry. However, the Company has agreements with authorized vendors to manage the disposal of bio-medical wastes generated during sample collection and testing.

- Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same:**

Not Applicable as the Company is in Diagnostics Service Sector.

### Leadership Indicators

1. Has the entity conducted Life Cycle Perspective / Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format:

During the year under review, the Company has not conducted any Life Cycle Perspective / Assessments (LCA) for its services.

| NIC Code | Name of Product/ Service | % of total Turnover contributed | Boundary for which the Life Cycle Perspective/ Assessment was conducted | Whether conducted by independent external agency (Yes/ No) | Results communicated in public domain (Yes/ No) If yes, provide the web-link |
|----------|--------------------------|---------------------------------|-------------------------------------------------------------------------|------------------------------------------------------------|------------------------------------------------------------------------------|
|----------|--------------------------|---------------------------------|-------------------------------------------------------------------------|------------------------------------------------------------|------------------------------------------------------------------------------|

Not Applicable

2. If there are any significant social or environmental concerns and/or risks arising from production or disposal of your products / services, as identified in the Life Cycle Perspective/ Assessments (LCA) or through any other means, briefly describe the same along-with action taken to mitigate the same:

| Name of Product/ Service | Description of the risk/ concern | Action Taken |
|--------------------------|----------------------------------|--------------|
|--------------------------|----------------------------------|--------------|

Not Applicable

3. Percentage of recycled or reused input material to total material (by value) used in production (for manufacturing industry) or providing services (for service industry):

| Indicate input material | Recycled or re-used input material to total material |            |
|-------------------------|------------------------------------------------------|------------|
|                         | FY 2023-24                                           | FY 2022-23 |

Not Applicable

4. Of the products and packaging reclaimed at end of life of products, amount (in metric tonnes) reused, recycled, and safely disposed, as per the following format:

| Particulars                    | FY 2023-24 |          |                 | FY 2022-23 |          |                 |
|--------------------------------|------------|----------|-----------------|------------|----------|-----------------|
|                                | Re-used    | Recycled | Safely Disposed | Re-used    | Recycled | Safely Disposed |
| Plastics (including packaging) | -          | -        | -               | -          | -        | -               |
| E-waste                        | -          | -        | -               | -          | -        | -               |
| Hazardous waste                | -          | -        | -               | -          | -        | -               |
| Other waste                    | -          | -        | -               | -          | -        | -               |

5. Reclaimed products and their packaging materials (as percentage of products sold) for each product category:  
Not Applicable

| Indicate Product Category | Reclaimed products and their packaging materials as % of total products sold in respective category |
|---------------------------|-----------------------------------------------------------------------------------------------------|
|---------------------------|-----------------------------------------------------------------------------------------------------|

Not Applicable

**PRINCIPLE 3:** Businesses should respect and promote the well-being of all employees, including those in their value chains

## Essential Indicators

### 1. a. Details of measures for the well-being of employees:

| Category                       | % of employees covered by |                  |         |                    |         |                    |         |                    |         |                     |         |
|--------------------------------|---------------------------|------------------|---------|--------------------|---------|--------------------|---------|--------------------|---------|---------------------|---------|
|                                | Total (A)                 | Health Insurance |         | Accident Insurance |         | Maternity benefits |         | Paternity Benefits |         | Day Care facilities |         |
|                                |                           | Number (B)       | % (B/A) | Number (C)         | % (C/A) | Number (D)         | % (D/A) | Number (E)         | % (E/A) | Number (F)          | % (F/A) |

| Other- please specify | -                                                  | -                                              | -                                                  | -                                                  | -                                              | -                                                  |

### 3. Accessibility of workplaces

**Are the premises / offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard :**

The Company believes that sustainable growth is a function of investing in a diverse talent pool. The Company is in a process of building an inclusive culture. The Organization through its equal Opportunity policy is ensuring that the PWD are also given opportunity to work. The Company is committed to build an accessible inclusive workplace and welcome the skills and talent of differently abled people. Over the year, it has identified appropriate roles to onboard more differently abled team members through their inclusive hiring practices. The Company is working progressively to increase their participation in the organization and making our physical and digital infrastructure accessible by auditing the existing facilities across the country as per the Rights of Persons with Disabilities Act, 2016. The Organization is striving to make its facilities PWD enabled. Certain measures of installing hand grabs in restrooms, fire exit signage's, portable ramps etc. have been taken.

### 4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy :

The Company is committed to promoting equality and embracing diversity through its internally available Equal Opportunity Policy. This policy reaffirms the Company's dedication to providing equal opportunities to all employees, addressing discrimination and harassment, and ensuring that those whose rights have been violated receive the necessary support and redress.

### 5. Return to work and Retention rates of permanent employees and workers that took parental leave:

| Gender | Permanent employees |                | Permanent workers   |                |
|--------|---------------------|----------------|---------------------|----------------|
|        | Return to work rate | Retention rate | Return to work rate | Retention rate |
| Male   | 100                 | 82             | 95.24               | 92.31          |
| Female | 75                  | 56.52          | 47.54               | 90.20          |
| Total  | 92.41               | 73.97          | 79.68               | 91.71          |

### 6. Is there a mechanism available to receive and redress grievances for the following categories of employees and worker? If yes, give details of the mechanism in brief:

| Category                       | Yes/ No (If yes, then give details of mechanism in brief) |
|--------------------------------|-----------------------------------------------------------|
| Permanent workers              | Yes                                                       |
| Other than Permanent workers   |                                                           |
| Permanent Employees            |                                                           |
| Other than Permanent Employees |                                                           |

The organization has implemented a comprehensive Grievance Redressal policy that addresses various issues employees may encounter while at work. These grievances encompass a range of concerns including:

- Discrimination based on disability, gender, race, sexual orientation, religion, marital status, and social class.
- Violations of human rights,
- workplace harassment,
- Denial of applicable benefits
- Issues related to working conditions and health and safety. To facilitate ease of reporting, employee/worker can lodge their complaint/grievance at employee login portal.

7. Membership of employees and worker in association(s) or Unions recognised by the listed entity:

| Category                         | FY 2023-24                                         |                                                                                              |        | FY 2022-23                                         |                                                                                              |        |

10. Health and safety management system:

- a) Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system:
- Yes, the safety manual covers guidelines that apply to all units and centers within the organization. Additionally, the Company has established an occupational health and safety management system to safeguard the well-being and protection of its employees in the workplace
- b) What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity:

The Company has meticulously developed comprehensive policies and guidelines to address various types of hazards and effectively mitigate associated risks. These policies serve as a robust framework for identifying work-related hazards, adhering to recommended guidelines, and conducting thorough risk assessments. The Safety manual provides detailed procedures for risk assessment, ensuring that employees have clear access to protocols and procedures. To maintain compliance with these policies, the Quality department conducts regular audits to monitor and evaluate adherence levels.

**c) Whether you have processes for workers to report the work related hazards and to remove themselves from such risks:**

Yes, the Lab Safety Program incorporates specific procedures that employees must adhere to in the event of safety incidents. These procedures delineate the appropriate steps and actions necessary to effectively address such situations. To ensure comprehensive incident documentation, the Company has developed a dedicated safety incident reporting tool. Supervisors or any lab staff are responsible for recording each safety incident on this platform, facilitating systematic data capture and analysis. Utilizing this reporting tool enables the organization to track safety incidents. Ultimately, this approach fosters a culture of continuous improvement in lab safety.

**d) Do the employees/ worker of the entity have access to non-occupational medical and healthcare services:**

Yes, the Company extends mediclaim coverage to all employees except those falling under the ambit of the ESIC Act. Employees covered by ESIC receive all relevant medical benefits under that scheme. Additionally, all employees are eligible for discounted diagnostic investigations.

**11. Details of safety related incidents, in the following format:**

| Safety Incident/Number                                                           | Category  | FY 2023-24 | FY 2022-23        |

|                                                                                  | Workers   | -          | -                 |

**12. Describe the measures taken by the entity to ensure a safe and healthy work place:**

The Company has established comprehensive guidelines covering personal protection, safety equipment usage, emergency procedures, fire safety, chemical hygiene, electrical safety, and waste disposal within its laboratories. These guidelines ensure a safe and secure working environment for all employees.

- Safety gears are provided to staff - e.g. Eye Wash, Gloves, Lab Coat, Goggles.
- Fire Sprinklers and Fire extinguishers are installed at the work place
- Fire drills are conducted on periodic basis and there are designated safety supervisors
- BMW segregation and disposal as per the BMW management rules and CPCB (Central Pollution control board) guidelines
- Disinfection protocols are implemented in labs
- Ergonomic lab furniture is provided to all staff
- Health check-ups are conducted and Immunization for all those in technical / sample handling roles

**13. Number of Complaints on the following made by employees and workers:**

| Particulars        | FY 2023-24            |                                       |         | FY 2022-23            |                                       |         |
|--------------------|-----------------------|---------------------------------------|---------|-----------------------|---------------------------------------|---------|
|                    | Filed during the year | Pending resolution at the end of year | Remarks | Filed during the year | Pending resolution at the end of year | Remarks |
| Working conditions | -                     | -                                     | -       | -                     | -                                     | -       |
| Health & Safety    | -                     | -                                     | -       | -                     | -                                     | -       |

#### 14. Assessments for the year:

| Particulars                 | % of your plants and offices that were assessed (by entity or statutory authorities or third parties)*                                                                                                                                                                                                                            |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Health and Safety Practices | The Company has a detailed Safety Policy that is applicable to all of its units. It prescribes the protocols for health and safety practices to be followed.                                                                                                                                                                      |
| Working Conditions*         | In case of new labs that are operationalized, the project and lab operations teams ensures that all safety aspects e.g. fire extinguishers and fire exits have been enabled in the setup.<br><br>Additionally Fire safety and Bio-Medical Waste (BMW) handling training modules are enabled for employee knowledge. <b>(100%)</b> |

(\*) Assessed by the entity

#### 15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions:

- The lab safety manual serves as a comprehensive guide for all safety-related matters within the organization.
- In the event of any safety incident, specific corrective protocols are in place and diligently followed.
- Regular training sessions are conducted for staff members to enhance safety awareness and practices.
- A risk management guide has been established for all laboratories, ensuring proactive measures to mitigate potential risks.

#### Leadership Indicators

##### 1. Does the entity extend any life insurance or any compensatory package in the event of death of (A) Employees (Y/N) (B) Workers (Y/N):

Yes, the organization maintains a welfare fund that provides benefits to employees and workers in the event of death. Additionally, The Company offer Personal Accident Insurance to employees and workers in Sales & Home Collection roles.

##### 2. Provide the measures undertaken by the entity to ensure that statutory dues have been deducted and deposited by the value chain partners:

The Company Conduct regular audits to ensure that all statutory dues have been promptly deposited. Additionally, its holds third parties contractually responsible for ensuring timely payment of these dues.

##### 3. Provide the number of employees/ workers having suffered high consequence work-related injury / ill-health / fatalities (as reported in Q11 of Essential Indicators above), who have been are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment:

| Particulars | Total no. of affected employees/ workers |            | No. of employees/ workers that are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment |            |
|-------------|------------------------------------------|------------|----------------------------------------------------------------------------------------------------------------------------------------------------|------------|
|             | FY 2023-24                               | FY 2022-23 | FY 2023-24                                                                                                                                         | FY 2022-23 |
| Employees   | -                                        | 1 (Minor)  | -                                                                                                                                                  | -          |

##### 4. Does the entity provide transition assistance programs to facilitate continued employability and the management of career endings resulting from retirement or termination of employment? (Yes/ No): No

##### 5. Details on assessment of value chain partners:

| Particulars                 | % of value chain partners (by value of business done with such partners) that were assessed |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Health and Safety Practices | None                                                                                        |
| Working Conditions          |                                                                                             |

##### 6. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from assessments of health and safety practices and working conditions of value chain partners: Not Applicable

**PRINCIPLE 4:** Businesses should respect the interests of and be responsive to all its stakeholders

**Essential Indicators**
**1. Describe the processes for identifying key stakeholder groups of the entity:**

The Company's dedication to responsible and sustainable business practices includes consistent engagement with both internal and external stakeholders. This ongoing interaction serves as a critical method for assessing the Company's performance, evaluating the value it delivers to stakeholders, and prioritizing relevant sustainability issues. The process of identifying stakeholders is guided by several factors:

- i. **Alignment with Mission and Vision:** The Company ensures that its stakeholder identification process aligns with its Mission and Vision statement or policy. This strategic approach ensures that critical stakeholders necessary for achieving the Company's objectives receive appropriate attention.
- ii. **Engaging Key Decision Makers:** Recognizing their significant influence, the Company actively engages with key decision makers who shape its operations, direction, and overall outcomes. These individuals play a pivotal role in shaping the Company's sustainability practices.
- iii. **Assessing Stakeholder Power and Influence:** The Company evaluates individual stakeholders based on their power and influence within the decision-making process. This assessment informs prioritization efforts, focusing on stakeholders who can impact the Company's sustainability performance and overall outcomes.

**2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group:**

| <b>Stakeholders Group</b>    | <b>Whether identified as Vulnerable &amp; Marginalized Group (Yes/No)</b> | <b>Channels of communication (Email, SMS, Newspaper, Pamphlets, Advertisement, Community, Meetings, Notice, Board, Website) Other</b> | <b>Frequency of engagement (Annual/Half yearly /Quarterly others-please specify)</b> | <b>Purpose and scope of engagement including key topics and concerns raised during such engagement</b>                           |
|------------------------------|---------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Employees                    | No                                                                        | Emails, survey                                                                                                                        | Other- Event Based                                                                   | Regular Company updates / Training Needs                                                                                         |
| Customers                    | No                                                                        | SMS, Newspaper, Website                                                                                                               | Other- Event Based                                                                   | Promotion Schemes / New Tests etc                                                                                                |
| Investors & Shareholders     | No                                                                        | Website, Annual meeting , Newspaper                                                                                                   | Other- Event Based                                                                   | Financial Results / other Corporate Announcements                                                                                |

| Communities                  | No                                                                        | CSR activities                                                                                                                        | Other- Event Based                                                                   | As part of the Company's Corporate Social Responsibility (CSR) obligation, addressed developmental and educational needs         |
| Vendors                      | No                                                                        | Digital Meetings / In person meetings                                                                                                 | Other- Event Based                                                                   | Regular business updates, performance feedback, and any updates related to changes in regulations regarding supplies or services |

## Leadership Indicators

### 1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board:

The Company's management regularly updates Board Members on feedback received from various stakeholders regarding environmental, social, and governance (ESG) matters during Board Meetings. This ongoing communication ensures that the Board remains well-informed about stakeholder perspectives and concerns related to ESG issues.

Initially, discussions on ESG matters take place between relevant Business Heads or Functional Heads and the respective stakeholders. These conversations are then summarized and shared with Key Managerial Personnel. Finally, the summary is escalated to the Board Members, providing them with a comprehensive overview of the key points discussed and the insights gained during stakeholder engagements.

### 2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity:

Yes, the feedback from relevant stakeholders, is regularly discussed with the Company Management. These deliberations offer the Company Management an opportunity to comprehensively assess the feedback and contemplate any required actions.

### 3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/marginalized stakeholder groups:

Currently the Company doesn't engage with any vulnerable and marginalized stakeholder group.

## PRINCIPLE 5: Businesses should respect and promote human rights

## Essential Indicators

### 1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity, in the following format:

| Category               | FY 2023-24*  |                                       |              | FY 2022-23   |                                       |              |

## 3. Details of remuneration/ salary/ wages, in the following format:

## a. Median remuneration/ wages:

| Particulars                               | Male   |                                                                    | Female |                                                                    |
|-------------------------------------------|--------|--------------------------------------------------------------------|--------|--------------------------------------------------------------------|
|                                           | Number | Median remuneration*/ salary / wages of respective category (In ₹) | Number | Median remuneration*/ salary / wages of respective category (In ₹) |
| Board of Directors (BOD)                  | 2      | 3,90,77,881                                                        | 1      | 2,43,79,464                                                        |
| Key Managerial Personnel (other than BOD) | 3      | 2,18,53,273                                                        | -      | -                                                                  |
| Employees (other than BOD and KMP's)      | 1,038  | 6,99,996                                                           | 277    | 17,88,000                                                          |
| Workers                                   | 2,131  | 4,04,616                                                           | 647    | 3,80,952                                                           |

(\*) Remuneration means and includes Cost to Company (CTC).

## b. Gross wages paid to females as % of total wages paid by the entity:

| Particulars                                     | FY 2023-24 | FY 2022-23 |
|-------------------------------------------------|------------|------------|
| Gross wages paid to females as % of total wages | 25.94      | 25.85      |

## 4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)

Yes, the Human Rights policy framework of the Company thoroughly covers all potential violations. A detailed mechanism for addressing grievances is established to meticulously examine any reported incidents of violation and evaluate their implications for the business.

## 5. Describe the internal mechanisms in place to redress grievances related to human rights issues:

The implementation of a Grievance Redressal Policy by the Company delineates a structured framework for handling and resolving complaints pertaining to harassment or human rights infringements. This policy underscores the organization's dedication to fostering a secure and respectful workplace environment.

To facilitate ease of reporting, employee/ worker can lodge their complaint/ grievance at employee login portal. The Company prioritizes swift action, committing to resolving grievances within a specified timeline. This time frame underscores the Company's pledge to ensure timely and efficient resolution of issues.

**6. Number of Complaints on the following made by employees and workers:**

**7. Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, in the following format:**

| Particulars                                                                                                                         | FY 2023-24* | FY 2022-23 |
|-------------------------------------------------------------------------------------------------------------------------------------|-------------|------------|
| Total Complaints reported under Sexual Harassment on of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (POSH) | 3           | 7          |
| Complaints on POSH as a % of female employees / workers                                                                             | 0.30        | 0.72       |
| Complaints on POSH upheld                                                                                                           | 1           | 0          |

(\*) Out of the 3 cases reported, in 2 cases no harassment proven and 1 case was under investigation as on March 31, 2024.

**8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases:**

The organization conducts regular staff training on Human Rights issues and violations, emphasizing the potential adverse consequences for complainants. All managers are fully informed and held accountable for preventing any recurrence of employee harassment. In the event that a complainant experiences specific or targeted discrimination, they have the option to raise the complaint once again with the Grievance Redressal committee for further investigation.

**9. Do human rights requirements form part of your business agreements and contracts:**

Yes, the critical human rights requirements are part of all relevant business agreements/contracts.

**10. Assessment for the year:**

| Category                         | % of your plants and offices that were assessed (by entity or statutory authorities or third parties)*                                                                                                   |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Child Labour                     | No case reported for the period. The Company's systems have inbuilt checks to validate any hiring of employee who is less than 14 years of age. The system will give an alert to the team. <b>(100%)</b> |
| Forced Labour/Involuntary Labour | No case reported for the period. Any such incidence raised shall be addressed by the redressal mechanism. <b>(100%)</b>                                                                                  |
| Sexual Harassment                | All cases of POSH are handled by the respective committees and the reports are submitted to the management. The annual report has the details on the cases received and their closures. <b>(100%)</b>    |
| Discrimination at workplace      | No case reported for the period. Any such incidence raised shall be addressed by the redressal mechanism. <b>(100%)</b>                                                                                  |
| Wages                            | No case reported for the period. Additionally, compliance to minimum wage requirement is audited by the Statutory and the Internal auditors. <b>(100%)</b>                                               |
| Other-please specify             | -                                                                                                                                                                                                        |

\*Assessed by entity

**11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 10 above:**

Not Applicable, since there were no cases which were received for principle /category mentioned under Question 10 above.

**Leadership Indicators****1. Details of a business process being modified / introduced as a result of addressing human rights grievances/ complaints:**

The Company has established a well-defined process for addressing human rights issues, which it currently believes is functioning effectively. However, the Company remains open to reevaluating its processes in the future if specific circumstances or case particulars warrant such a review.

**2. Details of the scope and coverage of any Human rights due-diligence conducted:**

For the financial year ending March 31, 2024, the Company did not conduct any Human Rights due-diligence.

**3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016:**

Yes, the Company comply with the requirements of the Rights of Persons with Disabilities Act, 2016 in Company's owned/ operated walk-in centres.

The Company's business leadership has made a dedicated commitment to prioritize diversity and inclusion. As a collective effort, they strive to drive systemic change and enhance inclusivity within the healthcare services provided to all patients. The Company offers Home Collection facilities, specifically designed for patients who are unable to visit the facilities due to health reasons or disabilities. These home collection services are available across major cities, ensuring accessibility for a wide range of patients.

**4. Details on assessment of value chain partners:**

| Particulars                      | % of value chain partners (by value of business done with such partners) that were assessed |
|----------------------------------|---------------------------------------------------------------------------------------------|
| Sexual Harassment                | -                                                                                           |
| Discrimination at workplace      | -                                                                                           |
| Child Labour                     | -                                                                                           |
| Forced Labour/Involuntary Labour | -                                                                                           |
| Wages                            | -                                                                                           |
| Other-please specify             | -                                                                                           |

The BRSR principles covers only the Company as of now and does not include its Value Chain Partners.

**5. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 4 above:** Not Applicable

**PRINCIPLE 6:** Businesses should respect and make efforts to protect and restore the environment

**Essential Indicators**

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

| Parameter                                                                                                                                                    | FY 2023-24    | FY 2022-23    |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|---------------|
| <b>From renewable sources</b>                                                                                                                                |               |               |
| Total electricity consumption (A)                                                                                                                            | 474           | 405           |
| Total fuel consumption (B)                                                                                                                                   | -             | -             |
| Energy consumption through other sources (C)                                                                                                                 | -             | -             |
| <b>Total energy consumed from renewable sources (A+B+C)</b>                                                                                                  | <b>474</b>    | <b>405</b>    |
| <b>From non-renewable sources</b>                                                                                                                            |               |               |
| Total electricity consumption (D)                                                                                                                            | 64,176        | 58,966        |
| Total fuel consumption (E)                                                                                                                                   | 139           | 140           |
| Energy consumption through other sources (F)                                                                                                                 | -             | -             |

| - With treatment – please specify level of treatment                                       | -               | -               |
| <b>Total water discharged (in kilolitres)</b>                                              | <b>1,23,010</b> | <b>1,25,036</b> |

**Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency:** No

## 5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation:

The Company, during the period under review, has strengthened belief in zero liquid discharge by utilising RO waste water in toilet flush and Horticulture at its various labs.

## 6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

| Parameter                           | Please specify unit | FY 2023-24 | FY 2022-23 |
|-------------------------------------|---------------------|------------|------------|
| NOx                                 | -                   | -          | -          |
| SOx                                 | -                   | -          | -          |
| Particulate matter (PM)             | -                   | -          | -          |
| Persistent organic pollutants (POP) | -                   | -          | -          |
| Volatile organic compounds (VOC)    | -                   | -          | -          |
| Hazardous air pollutants (HAP)      | -                   | -          | -          |
| Others – please specify             | -                   | -          | -          |

**Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency:** No

## 7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) &amp; its intensity, in the following format:

The Company is not into manufacturing and therefore the possibility of releasing GHG emissions into the atmosphere is negligible/not applicable.

| Parameter                                                                                                                                                                       | Unit                                        | FY 2023-24 | FY 2022-23 |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------|------------|------------|
| <b>Total Scope 1 emissions</b><br>(Break-up of the GHG into CO <sub>2</sub> , CH <sub>4</sub> , N <sub>2</sub> O, HFCs, PFCs, SF <sub>6</sub> , NF <sub>3</sub> , if available) | Metric tonnes of CO <sub>2</sub> equivalent | 370        | 370        |
| <b>Total Scope 2 emissions</b><br>(Break-up of the GHG into CO <sub>2</sub> , CH <sub>4</sub> , N <sub>2</sub> O, HFCs, PFCs, SF <sub>6</sub> , NF <sub>3</sub> , if available) | Metric tonnes of CO <sub>2</sub> equivalent | 15,153     | 13,922     |
| <b>Total Scope 1 and Scope 2 emission intensity per rupee of turnover</b><br>(Total Scope 1 and Scope 2 GHG emissions / Revenue from operations)                                | -                                           | 0.00000079 | 0.00000081 |

| Parameter                                                                                                                                                                                                     | Unit | FY 2023-24 | FY 2022-23 |

(\*) PPP: 22.88 (<https://data.worldbank.org/indicator/PA.NUS.PPP>)

**Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency:** No

- 10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes:**

All biomedical waste undergoes segregation in compliance with the Bio-Medical Waste Management Rules 2016 before being transferred to an authorized vendor approved by the state pollution control for safe disposal. Additionally, the Company conducts regular inspections to ensure that the vendor strictly adheres to all necessary compliances.

- 11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:**

| S. No. | Location of operations/offices | Type of operations | Whether the conditions of environmental approval / clearance are being complied with? (Y/N)<br>If no, the reasons thereof and corrective action taken, if any. |
|--------|--------------------------------|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
|--------|--------------------------------|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|

The Company has no operations around ecologically sensitive areas

- 12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:**

The Company has not undertaken any EIA project during the year.

| Name and brief details of project | EIA Notification No. | Date | Whether conducted by independent external agency (Yes / No) | Results communicated in public domain (Yes / No) | Relevant Web link |
|-----------------------------------|----------------------|------|-------------------------------------------------------------|--------------------------------------------------|-------------------|
|-----------------------------------|----------------------|------|-------------------------------------------------------------|--------------------------------------------------|-------------------|

- 13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:** Yes, the Company is compliant with all applicable laws/ regulations/ guidelines.

| S. No. | Specify the law / regulation /guidelines which was not complied with | Provide details of the non- compliance | Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts | Corrective action taken, if any |
|--------|----------------------------------------------------------------------|----------------------------------------|-----------------------------------------------------------------------------------------------------------|---------------------------------|
|--------|----------------------------------------------------------------------|----------------------------------------|-----------------------------------------------------------------------------------------------------------|---------------------------------|

### Leadership Indicators

- 1. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres):**

For each facility / plant located in areas of water stress, provide the following information:

(i) **Name of the area:** Bihar, Chhattisgarh, Delhi, Gujarat, Haryana, Jharkhand, Karnataka, Maharashtra, Punjab, Puducherry, Rajasthan, Tamil Nadu and Uttar Pradesh

(ii) **Nature of operations:** Diagnostics/ Pathological Laboratories

(iii) **Water withdrawal, consumption and discharge in the following format:**

|                                                                                               | FY 2023-24    | FY 2022-23    |
|-----------------------------------------------------------------------------------------------|---------------|---------------|
| <b>Water withdrawal by source (in kilolitres)</b>                                             |               |               |
| (i) Surface water                                                                             | -             | -             |
| (ii) Groundwater                                                                              | 15,318        | 14,982        |
| (iii) Third party water                                                                       | 22,774        | 25,684        |
| (iv) Seawater / desalinated water                                                             | -             | -             |
| (v) Others                                                                                    | -             | -             |
| <b>Total volume of water withdrawal (in kilolitres)</b>                                       | <b>38,092</b> | <b>40,666</b> |
| <b>Total volume of water consumption (in kilolitres)</b>                                      | <b>38,092</b> | <b>40,666</b> |

| (v) Others                                                                                    |               |               |
| - No treatment                                                                                | -             | -             |
| - With treatment – please specify level of treatment                                          | -             | -             |
| <b>Total water discharged (in kilolitres)</b>                                                 | <b>38,092</b> | <b>40,666</b> |

**Note:** Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency: No

2. Please provide details of total Scope 3 emissions & its intensity, in the following format:

| Parameter                                                                                                                                                                    | Unit                                        | FY 2023-24 | FY 2022-23 |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------|------------|------------|
| <b>Total Scope 3 emissions</b> (Break-up of the GHG into CO <sub>2</sub> , CH <sub>4</sub> , N <sub>2</sub> O, HFCs, PFCs, SF <sub>6</sub> , NF <sub>3</sub> , if available) | Metric tonnes of CO <sub>2</sub> equivalent | -          | -          |
| <b>Total Scope 3 emissions per rupee of turnover</b>                                                                                                                         | -                                           | -          | -          |
| <b>Total Scope 3 emission intensity</b><br>(optional) – the relevant metric may be selected by the entity                                                                    | -                                           | -          | -          |

**Note:** Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency: No

3. **With respect to the ecologically sensitive areas reported at Question 11 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities:**

The Company doesn't have any Laboratory in ecologically sensitive area.

4. **If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:**

| Sr. No | Initiative undertaken                 | Details of the initiative (Web-link, if any, may be provided along-with summary)                                                                                            | Outcome of the initiative                                     |
|--------|---------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------|
| 1      | Effluent Treatment Plant installation | Effluent Treatment Plant installed in close to 146 locations for minimizing impact of water pollution.<br><br>Approx 37,818 KL of effluent treated before being discharged. | Approx 37,818 KL of effluent treated before being discharged. |

5. **Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link:**

The company has meticulously developed a comprehensive Business Continuity Plan (BCP) tailored specifically for its IT Services. The primary objective of this plan is to facilitate uninterrupted operations from an alternate location in the event of unforeseen circumstances or disruptions at the primary site.

When the Disaster Recovery (DR) Plan is activated, the company's IT systems seamlessly transition to the DR facility, strategically located in a different seismic zone. This geographical separation enhances the resilience and stability of the IT infrastructure. The BCP plan encompasses several key objectives:

1. **Timely Business Recovery:** The plan aims to restore business operations within the agreed-upon timeframe outlined in the policy terms. This ensures minimal disruption and enables the company to swiftly resume operations.
2. **Continuous IT System Functionality:** The BCP plan guarantees that IT systems continue to function seamlessly from the alternate location until the primary site is fully restored. This uninterrupted availability of IT services is essential for maintaining business continuity and mitigating the impact on critical operations.
3. **Crisis Response Guidelines:** The plan includes detailed guidelines on how the company should respond during crisis situations. These guidelines assist in managing and mitigating potential risks and challenges associated with disruptive events.

6. **Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard:**

While the current adoption of Business Responsibility and Sustainability Reporting (BRSR) principles centers on the company, the organization is endeavoring to broaden its scope to encompass its Value Chain Partners. This strategic initiative mirrors the company's future goals to assess and address environmental impacts across its entire value chain.

7. **Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts:**

No specific assessment has been conducted for the value chain partners regarding environmental aspects. Nonetheless, the Company acknowledges the significance of extending assessments to its value chain partners to holistically tackle environmental impacts.

**PRINCIPLE 7:** Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

#### Essential Indicators

1. a. **Number of affiliations with trade and industry chambers/ associations: 3 (Three)**
- b. **List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to:**

| S. No. | Name of the trade and industry chambers / associations | Reach of trade and industry chambers/ associations (State/ National) |
|--------|--------------------------------------------------------|----------------------------------------------------------------------|
| 1      | Federation of Indian Chamber of Commerce and Industry  | National                                                             |
| 2      | Confederation of Indian Industry                       | National                                                             |
| 3      | Healthcare Foundation of India                         | National                                                             |

2. **Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities:**

During the year under review, no adverse orders have been passed by any regulatory body relating to the anti-competitive conduct by the Company.

| Name of Authority | Brief of the case | Corrective action taken |
|-------------------|-------------------|-------------------------|
| -                 | -                 | -                       |

#### Leadership Indicators

1. **Details of public policy positions advocated by the entity:**

The Company does not engage in influencing Regulatory Policy. However, the Company practices pro-active advocacy not for securing certain benefits for industry, but for advocating certain best practices for the benefit of society at large.

| S. No | Public policy advocated | Method resorted for such advocacy | Whether information available in public domain (Yes/No) | Frequency of Review by Board (Annually/ Half Yearly/ Quarterly/ Other- Please specify) | Web-Link if available |
|-------|-------------------------|-----------------------------------|---------------------------------------------------------|----------------------------------------------------------------------------------------|-----------------------|
| -     | -                       | -                                 | -                                                       | -                                                                                      | -                     |

**PRINCIPLE 8:** Businesses should promote inclusive growth and equitable development**Essential Indicators**

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year:

| Name and brief details of project | SIA Notification No. | Date of notification | Whether conducted by independent external agency (Yes/No) | Results communicated in public domain (Yes/No) | Relevant Web Link |
|-----------------------------------|----------------------|----------------------|-----------------------------------------------------------|------------------------------------------------|-------------------|
|-----------------------------------|----------------------|----------------------|-----------------------------------------------------------|------------------------------------------------|-------------------|

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format:

| S. No | Name of Project for which R & R is ongoing | State | District | No. of Project affected families (PAFs) | % of PAFs covered by R & R | Amount paid to PAFs in the FY (In ₹) |
|-------|--------------------------------------------|-------|----------|-----------------------------------------|----------------------------|--------------------------------------|
|-------|--------------------------------------------|-------|----------|-----------------------------------------|----------------------------|--------------------------------------|

Not Applicable

3. Describe the mechanisms to receive and redress grievances of the community

The Company is not into manufacturing operations and as such its operations does not have an impact on the lives of local community from where it operates its diagnostics center.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

| Particulars                                 | FY 2023-24 | FY 2022-23 |
|---------------------------------------------|------------|------------|
| Directly sourced from MSMEs/Small Producers | 18         | 18         |
| Sourced directly within India*              | 99.87      | 99.95      |

(\*) The Company procures goods directly from the vendors registered in India, however, some of the vendors might be sourcing goods from outside India.

5. Job creation in smaller towns - Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost:

| Location     | FY 2023-24 | FY 2022-23 |
|--------------|------------|------------|
| Rural        | 1.97       | 1.25       |
| Semi-Urban   | 3.06       | 2.41       |
| Urban        | 56.09      | 56.59      |
| Metropolitan | 38.88      | 39.75      |

**Leadership Indicators**

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above):

| Details of negative social impact defined | Corrective action taken |
|-------------------------------------------|-------------------------|
|-------------------------------------------|-------------------------|

Not Applicable

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies:

| S. No        | State          | Aspirational Districts | Amount spent (In ₹ Million) |
|--------------|----------------|------------------------|-----------------------------|
| 1            | Haryana        | Nuh (Mewat)            | 5.92                        |
| 2            | Andhra Pradesh | Visakhapatnam          | 3.61                        |
| <b>Total</b> |                |                        | <b>9.53</b>                 |

3. (a) Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalized /vulnerable groups: No
- (b) From which marginalized /vulnerable groups do you procure: Not Applicable
- (c) What percentage of total procurement (by value) does it constitute? Noy Applicable
4. Details of the benefits derived and shared from the intellectual properties owned or acquired by your entity (in the current financial year), based on traditional knowledge:

The Company does not own or has acquired any intellectual property by way of traditional knowledge

| S. No | Intellectual Property based on traditional knowledge | Owned/ Acquired (Yes/ No) | Benefit shared (Yes/ No) | Basis of calculating benefit sharing |
|-------|------------------------------------------------------|---------------------------|--------------------------|--------------------------------------|
| -     | -                                                    | -                         | -                        | -                                    |

5. Details of corrective actions taken or underway, based on any adverse order in intellectual property related disputes wherein usage of traditional knowledge is involved:

| Name of authority | Brief of case | Corrective action taken |
|-------------------|---------------|-------------------------|
| -                 | -             | -                       |

6. Details of beneficiaries of CSR Projects:

| S. No | CSR Project                                                                                                                  | No. of persons benefitted from CSR Projects | %age of beneficiaries from vulnerable and marginalized groups |
|-------|------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------|---------------------------------------------------------------|
| 1     | Skill Development Training and Livelihood in Healthcare Sector (LPL Academy for Laboratory Medicine – Phlebotomist Training) | 1,854                                       | 90                                                            |
| 2     | Skill Development Training and Livelihood in Healthcare Sector (LPL Academy for Laboratory Medicine – Phlebotomist Training) | 759                                         | 90                                                            |
| 3     | Health Education in Schools                                                                                                  | 2,000                                       | 25                                                            |
| 4     | Nutritional Support to TB Patients – Project Ni-Kshay Mitra                                                                  | 1,924                                       | 100                                                           |

**PRINCIPLE 9:** Businesses should engage with and provide value to their consumers in a responsible manner**Essential Indicators****1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.**

Customers can reach out to the Company through various channels, including voice calls, email, chat, and social media. When complaints are received via these channels, they are tagged in the Customer Relationship Management (CRM) system, generating a unique ID. The DLPL complaint resolution team coordinates with relevant authorities to address and close complaints to the satisfaction of the customer. On average, complaints are resolved within approximately 72 hours. In cases where resolution may take longer, direct follow-up with the concerned manager is necessary.

Additionally, for feedback purposes, the Company sends SMS notifications to customers after registration, requesting their input. This process is known as Net Promoter Score (NPS).

**2. Turnover of products and/ services as a percentage of turnover from all products/service that carry information about:**

The Company offers diagnostic services and does not engage in manufacturing or selling products. Consequently, information related to environmental and social parameters, safe usage, or disposal is not applicable. The Company adheres to Bio Medical Waste Management rules and guidelines for the proper disposal of hazardous and other waste.

| Particulars                                               | As a percentage of Total Turnover |
|-----------------------------------------------------------|-----------------------------------|
| Environment and Social parameters relevant to the product | -                                 |
| Safe and responsible usage                                | -                                 |
| Recycling and/or safe disposal                            | -                                 |

**3. Number of consumer complaints in respect of following:**

| Particulars                                     | FY 2023-24               |                                   |         | FY 2022-23               |                                   |         |
|-------------------------------------------------|--------------------------|-----------------------------------|---------|--------------------------|-----------------------------------|---------|
|                                                 | Received during the year | Pending resolution at end of year | Remarks | Received during the year | Pending resolution at end of year | Remarks |
| Data Privacy                                    | -                        | -                                 | -       | -                        | -                                 | -       |
| Advertising                                     | -                        | -                                 | -       | 23                       | -                                 | -       |
| Cyber-security                                  | -                        | -                                 | -       | -                        | -                                 | -       |
| Delivery of essential services                  | 9,463                    | -                                 | -       | 8,713                    | 224                               | -       |
| Restrictive Trade Practices                     | -                        | -                                 | -       | -                        | -                                 | -       |
| Unfair Trade Practices                          | -                        | -                                 | -       | -                        | -                                 | -       |
| Other (Technician Related/ Demographic Related) | 12,429                   | -                                 | -       | 34,986                   | 322                               | -       |

**4. Details of instances of product recalls on account of safety issues:**

| Particulars       | Number | Reasons for recall |
|-------------------|--------|--------------------|
| Voluntary recalls | -      | Not Applicable     |
| Forced recalls    | -      | Not Applicable     |

**5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy:**

Yes, the Company has established policies and procedures for identifying critical assets, assessing risks, and implementing relevant controls to protect against cybersecurity events. Risks related to data security and privacy are thoroughly evaluated and documented in the internal risk register. For further details, you can access the Company's Privacy Policy at (<https://www.lalpathlabs.com/privacy-policy>).

**6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services:**

- Notify customers in the event of repeat, delay, or critical values related to their diagnostic reports.
- Customers receive SMS notifications once their reports are ready for collection.
- In case of any delays, the customers is provided with direct contact details for our phlebotomists, ensuring efficient coordination.
- No material issues related to cybersecurity or customer data privacy required corrective action during the review period. Additionally, no penalties were imposed by regulatory authorities.

**7. Provide the following information relating to data breaches:**

- a. Number of instances of data breaches:** None
- b. Percentage of data breaches involving personally identifiable information of customers:** Not Applicable
- c. Impact, if any, of the data breaches:** Not Applicable

**Leadership Indicators**

**1. Channels / platforms where information on products and services of the entity can be accessed (provide web link, if available).**

Customers can access the Company's services through its website ([www.lalpathlabs.com](http://www.lalpathlabs.com)), mobile app, by calling the helpline number, or by visiting the nearest center

**2. Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.**

At all the centers prominently display banners promoting prudent and secure utilization of services. Additionally, for the benefit of consumers, sample collection procedure-related videos, information are regularly posted on the Company's YouTube Channel.

**3. Mechanisms in place to inform consumers of any risk of disruption/discontinuation of essential services.**

The Company communicates any discontinuation or disruption to its customers by posting notifications on its website for the public's awareness. Additionally, the Company adheres to SEBI (Listing Obligations and Disclosure Requirements) Regulations, promptly informing stock exchanges about material events that may impact its operations

**4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/No/Not Applicable) If yes, provide details in brief. Did your entity carry out any survey with regard to consumer satisfaction relating to the major products / services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/No)**

As a provider of diagnostic services, the Company does not display product information. However, the Company conducts Net Promoter Score (NPS) surveys after each customer transaction to analyze results and enhance performance
