Yes, hazardous wastes like used oil, e-wastes, batteries, among others are disposed to authorised recyclers.

- The roof top solar system & wind power for renewable energy were installed
- The treated effluent water were re-used in grading and other processes
- The vegetation and food waste were used in making compost which in turn is helpful in fertilisation and making of manure for the garden

Business Responsibility Report (Contd...)

- The treated solid waste was disposed to authorised land filling site
- The Company focuses strongly on clean technology, energy efficiency and renewable energy. The business' renewable energy portfolio, includes 27 MW based energy generation at various places in Gujarat

6. Are the emissions/waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year being reported?

Yes, the emissions/waste generated by the Company are within the permissible limits given by Central Pollution Control Board (CPCB)/State Pollution Control Board (SPCB) for the reporting period.

7. Number of show cause/legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year:

No show cause/legal notices were received from CPCB/SPCB as on the end of financial year.

Principle 7: Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner

1. Is the Company a member of any trade and chamber or association? If yes, name only the major ones that the business deals with :

The Company is associated/member of the following associations:

- a) Bombay Chamber of Commerce and Industry
- b) Gujarat Chamber of Commerce and Industry
- c) Ahmedabad Management Association
- d) Process Plant and Machinery Association of India
- e) Federation of Industries of India
- f) Federation of Kutch Industries Associations

2. Has the Company advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No? If yes, specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, others)

Although, the Company is member of the associations, it has not lobbied in the above areas.

Principle 8: Businesses should support inclusive growth and equitable development

1. Does the Company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8? If yes, details thereof:

Yes, in compliance with the CSR Policy, the Company is working towards particular initiatives/programmes/projects in pursuit of inclusive development of society, having specific focus on:

1. Education of children in rural areas :

The importance of the education is well known and its access is a major concern in rural areas, thus, Ratnamani Education Campus started its journey for the people of Bechraji and surrounded areas with an intention to empower them with affordable education and Ratnamani is continuously working towards educating the students to make them grow holistically and meet with the requirements of the current industrial demands.

More than 1200 students have been imparted education every year in different disciplines. Apart from the quality of education, the campus is well-equipped with modern infrastructure, library, and science facility including its laboratories, canteen facilities, hostel facility, sports facilities and playground, surrounded by lush green garden.

In order to facilitate quality education to students, the Company has constructed state-of-the-art auditorium halls having audio-visual facilities in Indrad Village and Jakhania, Kutch, which will be used for various educational purposes, including exhibitions, seminars, trainings, workshops, display and presentation of students' projects and for cultural activities.

Business Responsibility Report (Contd...)

2. Health and sanitation:

Understanding the importance of Central Government's campaign of making India "Clean India and Green India" — aimed at ensuring cleanliness and eradication of open defecation. The Company constructed household sanitary complexes in the different villages namely Bhimasar, Satapar, Tapar, Indrad, Nenava Village, Dhanot Village and Vadnagarapura till date.

The Company has contributed its resources for the purpose of setting up of a cardiac treatment facility adjacent to Ahmedabad for poor and underserved section of the society. Along with that, the Company set up a pathology lab in Gandevi, Navsari for the benefit of the people in the surrounding villages.

3. Rural transformation:

Our Company has been instrumental in transforming the village of Nenava located in Banaskatha district by building adequate roads and other basic infrastructural facilities. The Company is helping various villages for deepening the ponds for conservation of rain water. The Company aims to work towards promotion of education by providing, education material mid-day meals to the students and conducting welfare activities for abandoned kids. Besides, our Company facilitates the Government schools in every possible way and strives to bring up the literacy ratio in the village.

4. Enhancing vocational skills amongst women and children:

Our Company has been continuously working towards empowering girls and women of the Nenava village by enhancing their vocational skills and making them employment ready. More than 300 females have been trained and benefitted under sewing & embroidery, mehdi, art & crafts, gruh udhyog classes, among others.

5. Ensuring environmental sustainability/conservation of ecology :

Our Company works in the area of environment sustainability. In line with the same, the Company has planted numbers of trees in the vicinities of its plants/facilities, including road sides and maintains it. Ratnamani's plantations of earlier years have grown more than 30 feet and are beneficial for people belonging to villages, which experiences very hot climatic condition with very little rainfall of average 7 inches a year.

Our Company started and is successfully running its own exclusive campaign, 'Save the Sparrow' to save the endangered sparrow birds and create awareness by distributing nests in the region of Gujarat. The Company distributed 13,500 sparrow nests during the year. Additionally, it is heartening to realise that other societal birds have also started using them besides sparrows. Since the other birds, too are not getting the nesting places and materials from greens to weave the nest.

As the awareness spreads, the nests are also being distributed widely throughout the country with high rate of successes of nest occupancy. Thus, positively impacting society at large.

2. Are the programmes/projects undertaken through in-house team/own foundation/external NGO/government structures/ any other organisation?

The CSR projects are being implemented either directly by the Company or through various implementing partners who respect and agree to the organisation's core CSR values. These efforts are being undertaken preferably in the local area and areas around work centres sites. The Board of Directors has constituted a CSR Committee as a sub-committee to the Board for implementation of CSR Activities.

3. Have you done any impact assessment of the Company's initiative?

Our Company is regularly receiving feedbacks of various CSR activities carried out and undertakes timely assessments of implemented projects for ensuring their desired impact and continued sustenance.

4. What is the Company's direct contribution to community development projects- amount in ₹ and the details of the projects undertaken?

Our Company has spent ₹ 495.29 Lakhs on CSR activities during 2021-22. Details of the same are mentioned in Annexure-D of the Directors' Report.

Business Responsibility Report (Contd...)

5. **Has the Company taken steps to ensure that the community development initiative is successfully adopted by the community? Please explain in 50 words, or so.**

Yes, the Company undertakes CSR initiatives and ensures that the same is successfully adopted by the community.

Principle 9: Businesses should engage with and provide value to their customers and consumers in a responsible manner

1. **What percentage of customer complaints/consumer cases are pending as on the end of financial year?**

During the year under review, no customer complaints were received and no customers complaints are pending.

2. **Does the Company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A./Remarks (additional information)?**

Yes, the detailed specifications are marked on the outer side of the product such as company name, heat number and product's grade, length, type of pipe etc. are marked on the pipes prior to dispatch.

3. **Is there any case filed, by any stakeholder, against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.**

No cases have been filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour.

4. **Did the Company carry out any consumer survey/consumer satisfaction trends?**

Yes, the Company carries out customer survey by sending customer feedback form periodically and tries to improve based on the suggestions/feedback.
