SECTION E: PRINCIPLE-WISE PERFORMANCE

PRINCIPLE 1

- 1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/ Contractors/NGOs /Others?**

The Company is committed to the best practises in the areas of Corporate Governance and it committed to acting professionally, fairly and with integrity in all its dealings.

The Company has a well-defined Code of Conduct which lays down principles for every employee to act in accordance with the highest standards of personal and professional integrity, honesty, ethical and legal conduct. The Code is applicable to all Directors, Senior Management and employees of the Company.

The Company through its Whistle Blower Policy (Vigil Mechanism Policy) encourages and enables directors, employees to raise serious concerns, grievances about any unacceptable practice or any event of misconduct, irregularities, governance weaknesses, financial reporting issues within the Company.

Yes, the policy has been extended to cover vendors, channel partners and distributors as well.

- 2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.**

We have a dedicated client relationship team which takes every care to resolve customer complaints/ grievances within stipulated timelines. Further, in order to ensure fair and unbiased resolution of grievances of the policyholders/claimants regarding claim settlement, the company formed a Claims Review Committee. Exhibiting the commitment of the Company to provide a fair resolution to the claimants' grievances in a transparent manner. The Claims Review Committee comprises of key members of top management and a Retired High Court Justice.

Total 3,607 customer complaints were received during the FY 2021-22. All these complaints have been satisfactorily resolved.

Additionally, the Company has also setup an Investor Grievance mechanism to respond to investor grievances in a timely and appropriate manner. The investor grievances are reviewed by the Board through 'Stakeholders Relationship Committee'. Total 77 Shareholders complaints were received during FY 2021-22, and all these have been satisfactorily resolved.

PRINCIPLE 2

- 1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.**

SBI Life offers a comprehensive range of products that span across Protection, Savings Investment, Retirement, Women, Children and Health categories.

Protection business is one area where there has been an increased demand in the recent years, especially during the prolonged pandemic phase. Our protection portfolio includes SBI Life - eShield Next, SBI Life - Smart Swadhan Plus, SBI Life - Smart Shield, SBI Life - Sampoon Cancer Suraksha, SBI Life - Saral Jeevan Bima and SBI Life - Poorna Suraksha which cover the protection needs of varied segments of the society. Corona Rakshak plan helped provide timely financial coverage to the affected customers.

Arogya Shield was also launched in collaboration with SBI General Insurance offering Protection and Health insurance in one product.

In today's times, social security and an independent financial future has high prominence. SBI Life - Smart Platina Plus was recently launched, which offers long term financial freedom by providing regular guaranteed income.

Our Micro-insurance products like SBI Life - Grameen Super Suraksha and SBI Life - Grameen Bima cater to our Rural and Social Sector responsibility.

We continue to support "Pradhan Mantri Jeevan Jyoti Bima Yojana" (PMJJBY) - the flagship insurance scheme launched by Government of India as a low premium insurance cover to widen penetration of insurance in India. Currently we have insured over 2.5 Crore members under this scheme.

SBI Life - New Smart Samriddhi, SBI Life - Saral Swadhan+ & SBI Life - Saral Pension are available to the POS (Point of Sale) Channel. These are meant to address the insurance and savings needs of the lower strata of the society.

Further, with growing focus on digitization, number of internet users, growing penetration of smart phones, etc., we have launched innovative products that can be easily accessed through our digital platform. We have developed a digital platform to provide an entirely paperless new policy issuance and servicing process to our customers. This platform has also been extended to our partners and Life Mitras. This has not only helped us in improving our digital footprint but has ensured customer convenience through quick service delivery by following social distancing norms. This has led to a positive impact on the society.

Business Responsibility Report (Contd.)

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

a) Reduction during sourcing/production/distribution achieved since the previous year throughout the value chain?

Not applicable considering the nature of business of the Company.

b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?

Not applicable

3. Does the company have procedures in place for sustainable sourcing (including transportation)?

Not applicable considering the nature of business of the Company.

a) If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

Not applicable

4. Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?

Not applicable considering the nature of business of the Company.

a) If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

Not applicable

5. Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

As our Company is not a manufacturing Company, this point is not applicable.

PRINCIPLE 3

1. Please indicate the Total number of employees.

As on March 31, 2022 our total employee count was 18,515. Additionally, we have 146,057 individual insurance agents associated with us who are distributing insurance on our behalf.

2. Please indicate the Total number of employees hired on temporary/contractual/casual basis.

As on March 31, 2022 total count of contractual workers i.e. temporary staff was 904 excluding housekeeping staff, office boys etc.

3. Please indicate the Number of permanent women employees.

As on March 31, 2022, we had 3,127 permanent women employees.

4. Please indicate the Number of permanent employees with disabilities

We are an equal opportunity employer and treat all our employees at par, thus we do not specifically track number of disabled employees. Based on income tax declarations received from employees for claiming tax deduction for self-disability, the Company has 17 such employees.

5. Do you have an employee association that is recognized by management?

The Company does not have any employee association.

6. What percentage of your permanent employees is members of this recognized employee association?

Not applicable

7. Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

The Company's recruitment policy does not permit any engagement of child labor, forced labor or involuntary labor. The Company also refrains from any discrimination on the basis of caste, creed, gender or religion.

The company has a policy against Sexual Harassment of Women at work place in accordance with applicable regulations. 1 case was pending at the beginning of the FY 2021-22; During the year FY 2021-22 under review, 5 sexual harassment cases were filed. Of these, all 6 cases were disposed-off during the year and appropriate actions were taken within timelines in FY 2021-22.

8. What percentage of your under mentioned employees were given safety & skill up-gradation training in the last year?

(a) Permanent Employees - 98.98% of the total employees were given skill upgradation training in FY 21-22. 95.94% of permanent employees have undergone more than three different trainings in FY 21-22.

(b) Permanent Women Employees - 97.91% of the total women employees were given skill upgradation training in FY 21-22. 90.62% of women employee have completed more than three training programs in FY 21-22.

(c) Casual/Temporary/Contractual Employees - NIL

- (d) Employees with Disabilities – Total 17 employees with disabilities. 94.11% employees with disability have undergone 3 or more trainings in Financial Year and 100% training coverage.

Learning & Development designs appropriate training to all employees and segments based on the identified needs. Training is imparted through classroom modules led by an instructor; web-based e-learning and mobile app. Equal focus is laid on product, process and behavioral trainings. The new LMS platform, e-Shiksha Empowered, encourages self-paced 24 X 7 learning. In addition, Learning and Development facilitates On the Job trainings too in collaboration with functional departments.

We also tie-up with reputed management institutes within and outside India, avail the services of global domain experts and professional trainers besides third party service providers to impart specialized training to employees as well as distributors.

The Company accords prime importance to employee health and safety. All employees undergo periodic training on basic & advanced fire safety including evacuation drills. Fire evacuation drills are periodically conducted for all our offices. Further employees are also periodically sensitized on fire safety norms. The Company has tie-ups with vendors to educate and demonstrate use of fire-fighting equipment. Educative mailers are circulated to all employees on Health, Safety & Environment (HSE), natural calamities and epidemics on a regular basis.

All new employees undergo mandatory orientation sessions. Employees at junior, middle and senior levels undergo need based training programmes including management development, leadership workshops apart from functional skills programmes on product & process knowledge. Digital knowledge repositories have also been made available to enable new hires to access key learning content on the go and on demand.

With an intention to encourage employees to acquire higher functional qualifications/certifications, the Company defined a policy to incentivize its employees for acquiring higher functional/technical qualifications.

We have an Internal Job Posting system that encourages job rotation and multi-skilling. We offer all colleagues the opportunity to take on challenging roles across a variety of functions and geographies and thereby, facilitate their career growth and success.

PRINCIPLE 4

1. Has the company mapped its internal and external stakeholders? Yes/No

Yes, the Company has mapped its key stakeholder groups.

2. Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders?

The Company is guided as per regulations prescribed by IRDAI on a definite/certain percentage of our customized affordable insurance products to be sold to the customers in rural areas and under privileged sectors. Details of the rural and social sector obligations of the Company are provided in the Directors' Report of the Company.

The company caters to rural and under privileged sectors through microinsurance, pure risk premium products on both individual (SBI Life – Grameen Bima) and group (SBI Life – Grameen Super Suraksha). These products are designed to provide financial assistance, at nominal cost, to the families of the life assured in case of any eventuality.

The Company is also providing specific products for women segment and few products are for social security schemes as launched by the Government. The company is also managing SBI Life - Dhanrashi scheme for Delhi Government. This scheme was announced by Delhi Government to encourage birth of girl child born and facilitate completion of their education. The scheme also provides financial support to girls who are below poverty line and annual income of parents is less than ₹ 1 lakh. As per the scheme, the government will deposit the fixed sum amount of money at various stages like, on her birth, admission in the school, admission in different standard and all the money will be given to the girl when she turns age of 18 years.

3. Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details thereof, in about 50 words or so.

SBI Life engages with vulnerable and marginalised stakeholder through various CSR initiatives across multiple states in India. In FY 21-22, SBI Life reached to more than ₹ 2 Lakhs beneficiaries belonging to underprivileged sections of society.

Education being key to personal growth and development, Company has taken various initiatives to improve education status in rural and slum communities. Access, inclusion and quality being the main thrust areas of educational program; company has reached to more than 21000 underprivileged / differently abled/ rural / girl children.

Improving the health of communities is a high priority of SBI Life. Through its regular healthcare initiatives such as sponsoring cost of treatment, providing medical equipment, improving health and nutrition status of rural / tribal children between 0-2 years of age, pregnant and lactating mother.

Please also refer Principle 2.

Business Responsibility Report (Contd.)

PRINCIPLE 5

1. Does the policy of the company on human rights cover only the company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

The Company is an equal opportunity, gender neutral employer and has a zero tolerance policy towards any discrimination based on gender, religion, caste or class and strives to uphold fairness at the workplace through transparent policies, systems and processes and has instituted a structured grievance redressal mechanism to address employee concerns.

2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

For details, kindly refer Principle 1.

PRINCIPLE 6

1. Does the policy related to Principle 6 cover only the company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.

This principle is not substantially relevant to the Company given the nature of its business.

2. Does the company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.

The Company constantly endeavors to undertake innovative initiatives to protect the environment. The Company has contributed towards making a greener planet by maintaining the plantations and promoting renewable energy in the states of Maharashtra, Odisha and Kerala. Thus, as part of our 'Go Green Initiative' we have adopted following practices in some of our offices:

- (a) The corporate office building is a Green Building; certified by Indian Green Building Council (IGBC) to comply with efficient use of natural resources and minimal waste generation. The administrative processes are designed to ensure efficient use of natural resources. Few of the sustainable green initiatives to conserve natural resources and protect the environment are as given below.

- (i) **Reduction of Food Wastage:** Food wastage in the cafeteria is discouraged through awareness campaign through graffiti's. Leftover food and food waste generated in our cafeteria is collected and recycled through a composter biodegradation process into organic manure of about 100 kg per month for plants in the premises.

- (ii) **Solar Power Generation:** A feasibility study to ascertain the viability of power generation on roof top using solar panels is under way. Completion of the project will result in saving of electricity load by up to 35 percent from existing demand.

- (iii) **Waste Water Recycling:** We have incorporated process of collecting the waste water which is available in the water dispensers' station. The water so collected is being used for in the watering of indoor plants and floor mopping. This way we have been able to conserve within the premises.

The Company is committed to keeping its environmental footprints as small as possible and has taken proactive steps to reduce direct impact of its operations on the environment.

3. Does the company identify and assess potential environmental risks? Y/N

The Company complies with applicable environmental regulations in respect of its premises and operations. The Company tries to address environmental concerns through various measures towards waste management and water management. Please refer point 2 above for more details.

4. Does the company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?

The aspect outlined in this principle is not applicable to the Company given its nature of its business.

5. Has the company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.

As mentioned in Point 2 above, the Company undertakes several measures to reduce wastage and for ensuring optimum utilization of resources.

6. Are the Emissions/Waste generated by the company within the permissible limits given by CPCB/SPCB for the financial year being reported?

Not applicable considering the nature of business of the Company.

7. Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

Not applicable considering the nature of business of the Company.

**PRINCIPLE 7****1. Is your company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:**

- (a) Life Insurance Council
- (b) The Federation of Indian Chambers of Commerce and Industry (FICCI)
- (c) The Confederation of Indian Industry
- (d) The Advertising Standards Council of India
- (e) The Indian Society of Advertisers

2. Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes, specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)

In taking public policy positions, the Company has not advocated/lobbied through any association.

PRINCIPLE 8**1. Does the company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8? If yes details thereof.**

SBI Life's CSR policy promotes inclusive development in alignment with national priorities. SBI Life's CSR initiatives focuses primarily on education and healthcare followed by environment. Through these initiatives the Company strive to support the underprivileged communities and work towards sustainable growth.

The CSR initiatives undertaken by SBI Life can be broadly categorized under-

Education	Healthcare	Environment
- Support towards education, nutrition and overall development of underprivileged children from the society. - Support towards infrastructure, education and training to visually challenged, mentally & differently abled children. - Support towards the infrastructure development of school premises, hostels, playgrounds, classrooms, digital equipment for building smart classrooms, sanitation facilities, kitchen facilities, transport facilities to various schools in rural areas. - Support for vocational training and skill development to people from disadvantaged sections of the society in order to enhance their livelihood opportunities.	Support for healthcare including development of infrastructure, preventive care and treatment support for cancer and other diseases.	The Company has contributed towards making a greener planet by planting saplings and maintaining the plantations / supporting renewable energy.

2. Are the programmes /projects undertaken through in-house team/own foundation / external NGO/government structures/any other organization?

SBI Life's in-house team drives the CSR projects, which are executed with the help of implementing partners registered as either Trust or Society or Section 8 Company to leverage the expertise in the specific sector for more meaningful impact.

3. Have you done any impact assessment of your initiative?

There is an integrated monitoring and evaluation framework in place which is customized for various projects.

Both qualitative as well as quantitative parameters are considered while evaluating the impact of the project.

In FY 21-22, SBI Life impacted more than 2,00,000 lives across the country through its various CSR initiatives. Out of these, 21,000 were children, youth and women across 19 states who have benefitted out of the support extended by SBI Life through its educational initiatives like support in the form of educational material / sponsorship / infrastructure facilities etc. Impact evaluation of such initiatives show increased number of enrolments, enhanced academic performance of the children, improved attendance.

Business Responsibility Report (Contd.)

Similarly, over 1,99,000 beneficiaries across 15 states had received support under health interventions – both regular or COVID-19 relief efforts. Initiatives under health interventions are tracked for performance with indicators like patient registrations, patient's savings on the treatment, improved knowledge of patients on various health issues, etc.

4. What is your company's direct contribution to community development projects- Amount in INR and the details of the projects undertaken?

In FY 2021-22, SBI Life has contributed ₹ 26.73 Crore under various CSR initiatives, details of the contribution are listed below:

CSR Project	Sector in which the project is covered	Project Reach	Total Amount spent in FY 21-22 (₹ in Cr.)
Support for vocational training and skill development to people from disadvantaged sections of the society in order to enhance their livelihood opportunities	Education	Across 19 States	0.58
Support towards education, nutrition and overall development of underprivileged children from the society	Education		13.69
Support towards infrastructure, education and training to visually challenged, mentally & differently abled children	Education		3.47
Support towards the infrastructure development of school premises, hostels, playgrounds, classrooms, digital equipment for building smart classrooms, sanitation facilities, kitchen facilities, transport facilities to various schools in rural areas	Education		0.60
Environmental Sustainability Initiatives including planting and maintenance of saplings and support towards renewable energy	Environment	Maharashtra	0.86
Support for healthcare including development of infrastructure, preventive care and treatment support for cancer and other diseases & Covid-19 Relief efforts	Healthcare	Across 15 States	7.54

5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.

As guidelines, the implementing partner has to have minimum 3 years of experience in implementing similar projects. This ensures that partner has developed skill set in community mobilization as well as proposed activities are tested on the ground for community acceptance. Additionally, implementing partners are advised to use tools like rural participatory appraisal during need assessment to ensure community involvement from beginning. Assistance is provided to implementing partners in developing Information Education Communication (IEC) material having local community focus.

This is also supplemented by progress reports, photographs etc. documenting the involvement of the community. Implementing partners are advised to train community leaders from sustainability perspective.

Exit strategy highlighting how the ownership will be transferred to community is an integral part of the project document.

**PRINCIPLE 9****1. What percentage of customer complaints/consumer cases are pending as on the end of financial year.**

All complaints received (3,607) during FY 2021-22 are resolved within regulatory TAT. There is no outstanding at the end of FY 2021-22. This status puts us best in the industry. Customer complaints are received through Call Center, E-mail, SMS, WhatsApp, Company website, mobile app Easy Access and walk-in at our branch offices across the country. Customer complaint can be registered at SBI branch. SBI Bank CRM is directly integrated with our CRM for seamless flow of customer grievance for time bound resolution.

2. Does the company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A. /Remarks (additional information)

Not applicable considering the nature of business of the Company. With respect to products and services, the Company complies with the disclosures requirements.

3. Is there any case filed by any stakeholder against the company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year? If so, provide details thereof, in about 50 words or so.

In the ordinary course of insurance business, several customers have disputes with the Company which could result in their filing a civil suit, criminal complaint or a consumer complaint alleging deficiency of services. The Company always strives to have a cordial relationship with its customers and attempts to have an amicable settlement of the dispute but in some cases needs to pursue legal resolution of the same.

4. Did your company carry out any consumer survey/ consumer satisfaction trends?

The Company has implemented Net Promoter Score (NPS) as a management tool that is used to gauge the loyalty of a firm's customer relationships. Net Promoter Score has been deployed to conduct customer experience feedback survey across various touch-points. These feedbacks aid in tracking, measuring & improving the client experience effectively.
